Soundcore A3944

Soundcore Life P2 Mini True Wireless Earbuds User Manual

Model: A3944 | Brand: Soundcore

Introduction

Thank you for choosing the Soundcore Life P2 Mini True Wireless Earbuds. This manual provides essential information on setting up, operating, and maintaining your earbuds to ensure optimal performance and longevity. Please read this manual thoroughly before use.

Setup and Charging

Charging the Earbuds and Charging Case

Before first use, fully charge the earbuds and the charging case. Connect the provided USB-C cable to the charging port on the case and a power source. The LED indicators on the case will show the charging status. A full charge provides up to 8 hours of playtime for the earbuds and up to 32 hours with the charging case.

Pairing with Your Device

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, laptop, etc.), enable Bluetooth.
3. Search for "Soundcore Life P2 Mini" in the list of available Bluetooth devices and select it to connect.
4. Once connected, you will hear an audio prompt, and the LED indicators on the earbuds will turn off.

EQ Modes

The Life P2 Mini offers three distinct EQ modes to customize your listening experience:

- **Soundcore Signature:** The default mode, providing a well-balanced sound profile.
- **Bass Booster:** Enhances low frequencies for a more impactful bass.
- **Podcast:** Optimizes audio for clear voice reproduction, ideal for podcasts and audiobooks.

To switch between EQ modes, quickly press the right earbud 3 times. You will hear a tone confirming each successful switch.

Maintenance

Cleaning Your Earbuds

Regularly clean your earbuds and charging case to maintain optimal performance and hygiene. Use a soft, dry, lint-free cloth to wipe down the surfaces. For ear tips, remove them and clean with a mild soap solution, then rinse and dry thoroughly before reattaching.

Water Resistance

The Life P2 Mini earbuds are IPX5 water-resistant, meaning they can withstand splashes and sweat. This makes them suitable for workouts and outdoor activities. However, they are not designed for submersion in water. Ensure the charging port is dry before charging.

Troubleshooting

Common Issues and Solutions

- **No Sound:** Ensure earbuds are charged, connected to your device, and volume is up.
- **Pairing Issues:** Make sure Bluetooth is enabled on your device and the earbuds are in pairing mode. Try resetting the earbuds.
- **Intermittent Connection:** Ensure no obstacles are between your device and earbuds. Move closer to your device.
- **Charging Problems:** Check the charging cable and port for damage. Ensure the earbuds are correctly seated in the charging case.

How to Reset

If you experience connectivity issues or other malfunctions, performing a reset can often resolve the problem:

1. Place both earbuds into the charging case and leave the lid open.
2. Press and hold the button on the charging case for 10 seconds until the LED indicators on the earbuds flash red 3 times.
3. Close the charging case. The earbuds are now reset and ready to be paired again.
