Bellemave 208AAK

Bellemave Twin Size Kids Floor Bed Frame with Fences Instruction Manual

Model: 208AAK | Brand: Bellemave

1. Product Overview

The Bellemave Twin Size Kids Floor Bed Frame with Fences is designed to provide a safe and engaging sleeping environment for children. This wooden house bed features a low-height design for easy access and fences for added security. The unique house-shaped frame can be decorated, fostering imagination and creating a personalized space.

2. Safety Information

WARNING: Failure to follow these safety instructions may result in injury.

- Supervise young children at all times when using this bed.
- Be cautious of sharp edges during assembly and use.
- Do not exceed the weight capacity of 300 pounds (approximately 136 kg).
- Follow assembly instructions carefully to prevent instability or collapse.
- Ensure all connections are securely tightened before use and periodically check for looseness.

3. Package Contents

Before beginning assembly, verify that all components and hardware are present. The package includes:

- All necessary bed frame components (pine wood and engineered wood parts).
- All required assembly tools.
- This installation manual.

If any parts are missing or damaged, do not proceed with assembly. Contact Bellemave customer support for assistance.

4. Assembly Instructions

Assembly of the Bellemave Twin Size Kids Floor Bed Frame requires two people for optimal ease and safety. Follow the detailed instructions and use the numbered parts provided in your package.

4.1 Assembly Video Guide

4.2 General Assembly Steps

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify each part using the numbering system provided in the manual.
3. Follow the diagrams and written instructions carefully, attaching components in the specified order.
4. Ensure all screws and fasteners are tightened securely, but do not overtighten to avoid damaging the wood.
5. Once assembled, gently test the bed frame for stability before allowing use.

5. Operating Instructions

This floor bed is designed for easy access and a safe sleeping environment for children. Its low height allows children to get in and out independently.

5.1 Decorating Your Bed Frame

The house-shaped roof structure is ideal for creative decoration. You can personalize the bed with various items:

- Hang lightweight fabrics or mosquito nets to create a cozy canopy.
- Drape string lights for a magical ambiance.

- Attach colorful flags or pendants.

6. Maintenance and Care

To ensure the longevity and appearance of your Bellemave bed frame, follow these care guidelines:

- **Cleaning:** Wipe the surface with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Inspection:** Periodically check all bolts and screws to ensure they remain tight. Retighten as necessary to maintain structural integrity.
- **Placement:** Avoid placing the bed in direct sunlight or near heat sources, which can cause wood to dry out or warp.

Image 4: Illustrates the quality of selected wood, exquisite workmanship, and the smooth surface designed for easy cleaning.

7. Troubleshooting

If you encounter issues during assembly or use, refer to the following common solutions:

- **Difficulty with Assembly:** If holes appear misaligned, double-check that you are using the correct parts and orientation as per the manual. Sometimes, a slight adjustment or loosening of previously tightened screws can help align parts. Refer to the assembly video for visual guidance.
- **Bed Frame Instability:** Ensure all bolts and screws are fully tightened. An unstable frame often indicates loose connections. Re-check each connection point.
- **Missing Parts:** If any components are missing from the package, do not attempt to substitute them. Contact Bellemave customer support immediately for replacement parts.

8. Specifications

Feature	Detail
Model Number	208AAK
Size	Twin
