Hot Wheels Monster Trucks Glow in the Dark Epic Loop Challenge Playset

Model: HBN02 | Brand: Hot Wheels

INTRODUCTION

This instruction manual provides essential information for the assembly, operation, and maintenance of your Hot Wheels Monster Trucks Glow in the Dark Epic Loop Challenge Playset. Please read this manual thoroughly before use to ensure safe and optimal performance of the product. This playset offers an exciting racing experience with glow-in-the-dark elements, allowing for thrilling head-to-head races and stunts.

SAFETY INFORMATION

WARNING: Not suitable for children under 36 months due to small parts which may present a choking hazard. Adult supervision is recommended during assembly and play. Keep fingers clear of moving parts, especially the launcher mechanism, to prevent injury.

WHAT'S IN THE BOX

- 1 Launcher mechanism
- 1 Ramp section
- 1 Giant loop track (glow-in-the-dark)
- 1 Trophy cup target (glow-in-the-dark)
- 1 Hot Wheels Monster Truck vehicle (1:64 scale, glow-in-the-dark elements)
- 1 Hot Wheels car (1:64 scale, glow-in-the-dark elements)

SETUP INSTRUCTIONS

1. **Unpack Components:** Carefully remove all parts from the packaging. Ensure all listed components are present.
2. **Assemble the Base:** Connect the launcher base to the entry point of the loop track. Ensure a secure fit.

3. **Attach the Loop:** Securely attach the giant loop track to the base. The loop should stand upright and be stable.
4. **Position the Trophy Cup:** Place the trophy cup target at a suitable distance from the loop's exit point. Experiment with different distances for varied challenge levels.
5. **Charge Glow-in-the-Dark Elements:** Expose the glow-in-the-dark track parts and vehicles to bright light for several minutes to activate their glow feature. This will enhance visibility and play in low-light conditions.

OPERATING INSTRUCTIONS

1. **Load Vehicles:** Place one Hot Wheels Monster Truck and one Hot Wheels car into the designated slots on the launcher base. The larger monster truck fits in the wider slot, and the smaller car in the narrower slot.
2. **Prepare the Launcher:** Pull back the lever on the launcher mechanism until it locks into place. This action primes the launcher for release.
3. **Launch Vehicles:** Press the release button on the launcher. The vehicles will be propelled simultaneously through the giant loop.
4. **Aim for the Trophy Cup:** The objective is to launch the vehicles with enough force and accuracy to make them complete the loop and land in the trophy cup target.

5. **Glow-in-the-Dark Play:** For an enhanced experience, turn off the lights after charging the glow-in-the-dark elements. Watch the track and vehicles glow as they race.

MAINTENANCE

- **Cleaning:** Wipe the playset and vehicles with a damp cloth to remove dust and dirt. Do not immerse in water.
- **Storage:** Store the playset in a cool, dry place away from direct sunlight when not in use. Disassemble if necessary for compact storage.
- **Inspection:** Periodically check all connections and moving parts for wear or damage. Replace any broken components to ensure safe play.

TROUBLESHOOTING

- **Vehicles not looping:** Ensure the launcher lever is pulled back completely before pressing the release button. Verify that the vehicles are correctly seated in their slots.
- **Glow-in-the-dark elements not glowing:** Expose the parts to a strong light source for a longer duration to fully charge the phosphorescent material.
- **Launcher not working:** Check for any obstructions in the launcher mechanism. Ensure the lever is

engaging properly.
