## TROUBLESHOOTING

If you encounter any issues with your SoundMAGIC TWS30 G2 earbuds, please consider the following common solutions:

- **No Sound/Connection Issues:** Ensure both earbuds are fully charged and removed from the case. Check your device's Bluetooth settings to confirm the earbuds are paired and connected. Try unpairing and re-pairing the earbuds.
- **Charging Problems:** Verify the charging cable is securely connected to both the case and the power source. Ensure the earbuds are correctly seated in the charging case. Check for any debris in the charging ports or on the earbud contacts.
- **Poor Sound Quality:** Ensure the eartips are properly sealed in your ear canal. Try different sized eartips for a better fit. Check for any obstructions in the earbud nozzles.
- **Earbuds Not Fitting Securely:** Experiment with the different sized eartips (S/M/L) provided to find the most

comfortable and secure fit for your ears.
