CHITA Power Recliner Chair Swivel Glider - Instruction Manual

Model: ME7056B-CU6722

1. PRODUCT OVERVIEW

The CHITA Power Recliner Chair Swivel Glider is designed for comfort and versatility in your living space or nursery. This model, ME7056B-CU6722, features a power recline function, smooth swivel and glide motions, and integrated USB charging ports. Its durable faux leather upholstery in Cognac Brown provides both style and ease of maintenance.

2. SAFETY INFORMATION

CAUTION: This chair has a recline function. To prevent tip-over, always keep the chair on a stable surface and avoid using it on uneven or slippery floors. Be careful when moving the chair during assembly or use to avoid injury from heavy parts.

- Ensure all connections are secure before use.
- Keep children and pets away from moving parts.
- Do not stand on the footrest or armrests.
- Avoid placing heavy objects on the chair when it is reclined.

3. SETUP AND ASSEMBLY

The CHITA Power Recliner is designed for simple assembly. Follow these steps to set up your chair:

1. Unpack all components from the box. Ensure all parts are present and undamaged.
2. Slide the backrest into the seat base. Align the metal connectors on the backrest with the corresponding slots on the seat base and push down firmly until they click into place.
3. Connect the power cables. Locate the power cord from the backrest and connect it to the corresponding receiver on the seat base.
4. Plug the power adapter into a wall outlet.

4. OPERATING INSTRUCTIONS

Your CHITA Power Recliner offers multiple functions for enhanced comfort:

- **Power Recline:** Use the buttons located on the side of the chair to smoothly recline the backrest and extend the footrest. The chair offers a 90-135° recline angle.
- **Swivel Function:** The chair features a 270-degree swivel base, allowing you to easily rotate the chair to your desired position.
- **Glide Function:** Enjoy a quiet and smooth gliding motion, perfect for relaxation.
- **USB Charging Ports:** Conveniently located on the side of the chair, the built-in USB charging ports allow you to charge your mobile devices while you relax.

Supportive Backrest

The fixed Lumbar pillow provides additional back support for added comfort.

USB Port

Additional features for your enjoyment with USB port and Leggett and Platt Mechanism.

Heavy Duty Base

Comfortable and supportive pedals

5. MAINTENANCE

To ensure the longevity and appearance of your CHITA Power Recliner, follow these maintenance guidelines:

- **Cleaning:** Dust periodically with a clean dust cloth. For spots or smudges, lightly moisten a cloth with water and wipe clean. Avoid harsh chemicals or abrasive cleaners.
- **Mechanism Care:** The patented Leggett & Platt mechanism is designed for durability. Avoid forcing the recline or swivel functions.
- **General Care:** Keep the chair away from direct sunlight and heat sources to prevent material fading or damage.

6. TROUBLESHOOTING

If you encounter any issues with your recliner, please refer to the following common solutions:

- **Chair Not Reclining/Moving:**
 - Check if the power cord is securely plugged into both the chair and the wall outlet.
 - Ensure the wall outlet is functional by testing it with another device.
- **Unusual Noises During Operation:**
 - Ensure the chair is on a flat, stable surface.
 - Check for any obstructions around the reclining mechanism.
- **USB Ports Not Charging:**
 - Verify the chair is powered on and plugged in.
 - Test the USB port with a different device or cable.

If the issue persists, please contact CHITA customer support for further assistance.
