## Harper & Bright Designs B09BZ1STCZ

# Harper & Bright Designs Twin House Bed with Drawers Instruction Manual

Model: B09BZ1STCZ

Brand: Harper & Bright Designs

## 1. INTRODUCTION

---

Thank you for choosing the Harper & Bright Designs Twin House Bed with Drawers. This manual provides detailed instructions for the assembly, operation, and maintenance of your new bed. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

### Important Safety Information

- Always follow assembly instructions precisely.
- Ensure all hardware is securely tightened before use. Periodically check and re-tighten as necessary.
- Do not allow children to play unsupervised on or around the bed.
- Keep small parts and packaging materials away from children during assembly.
- This bed is designed for a twin-size mattress. Using an incorrect mattress size may compromise safety.

## 2. SETUP AND ASSEMBLY

---

Assembly of this product requires two adults. Please ensure you have ample space and all components before starting.

### 2.1 Unpacking and Component Check

Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Verify that all parts listed in the packing list are present. If any parts are missing or damaged, please contact customer support immediately.

### 2.2 Tools Required

- Phillips Head Screwdriver (not included)
- Allen Wrench (included)
- Hammer (optional, for dowels)

### 2.3 Assembly Steps

Follow the step-by-step diagrams provided in your physical instruction manual. General steps include:

1. Assemble the main bed frame components.
2. Attach the roof structure.
3. Install the bed slats for mattress support.
4. Assemble and insert the storage drawers.

**Important:** Do not overtighten screws, as this may damage the wood. Hand-tighten all fasteners initially, then fully tighten once the entire section is assembled and aligned. For the bed slats, avoid using power drills to prevent cracking the wood.

Image: Detailed dimensions of the Twin House Bed, including height, length, width, and internal measurements for the mattress and drawers.

### 3. OPERATING INSTRUCTIONS

#### 3.1 Using the Bed

Once assembled, place a standard twin-size mattress on the bed slats. The bed is designed to provide a secure and comfortable sleeping area. The house-shaped frame can be used for decorative purposes, such as hanging lights or fabric.

### 3.2 Utilizing Storage Drawers

The two integrated drawers beneath the bed provide convenient storage space for toys, bedding, or other items. Simply pull the drawers out from the front to access their contents. Ensure drawers are fully pushed in when not in use to prevent tripping hazards.

## 4. MAINTENANCE

---

### 4.1 Cleaning

To clean the bed frame, wipe with a damp cloth. Avoid using harsh cleaners, abrasive materials, or strong chemical solvents, as these may damage the finish.

### 4.2 General Care

- Periodically check all bolts and screws to ensure they remain tight. Re-tighten as needed to maintain stability and safety.
- Avoid dragging the bed when moving it; lift it to prevent damage to the frame and flooring.
- Protect the bed from direct sunlight and extreme temperature changes to prevent warping or fading.

## 5. TROUBLESHOOTING

---

If you encounter any issues with your Twin House Bed, please refer to the following common solutions:

Problem	Possible Cause	Solution
Bed feels wobbly or unstable	Loose fasteners	Check and tighten all bolts and screws. Ensure all connections are secure.

Problem	Possible Cause	Solution
Drawers do not slide smoothly	Misalignment or debris in tracks	Ensure drawers are assembled correctly and aligned with the runners. Clear any dust or debris from the drawer tracks.
Missing or mislabeled parts during assembly	Packaging error	Double-check the packing list. If parts are genuinely missing or mislabeled, contact Harper & Bright Designs customer support for replacements.
Wood cracking during slat installation	Overtightening with power tools	Always hand-tighten screws for slats. If damage occurs, contact customer support for advice on repair or replacement.
