

GUTINNEEN Expandable Rabbit Hutch 103.2" L

GUTINNEEN Expandable Rabbit Hutch User Manual

Model: B09BZ5SP59

1. INTRODUCTION

Thank you for choosing the GUTINNEEN Expandable Rabbit Hutch. This product is designed to provide a safe and comfortable habitat for small animals such as rabbits, guinea pigs, ducks, and chickens. Its modular design allows for expansion or separation into two distinct units, offering flexibility for your pets' needs. This manual provides essential information for assembly, operation, maintenance, and troubleshooting to ensure optimal use and longevity of your hutch.

2. SAFETY INSTRUCTIONS

- Always ensure all parts are securely fastened during assembly and regular use to prevent collapse or injury to pets.
- Place the hutch on a level, stable surface to prevent tipping.
- Regularly inspect the hutch for any signs of damage, loose parts, or wear and tear, especially on wire mesh and wooden components. Repair or replace damaged parts immediately.
- Keep small children away from the hutch during assembly and supervise them when they interact with pets inside the hutch.
- Ensure proper ventilation within the hutch, especially in enclosed sleeping areas.
- The hutch is designed for small animals. Do not house animals larger than recommended capacity.
- Protect the hutch from extreme weather conditions to prolong its lifespan and ensure pet comfort.

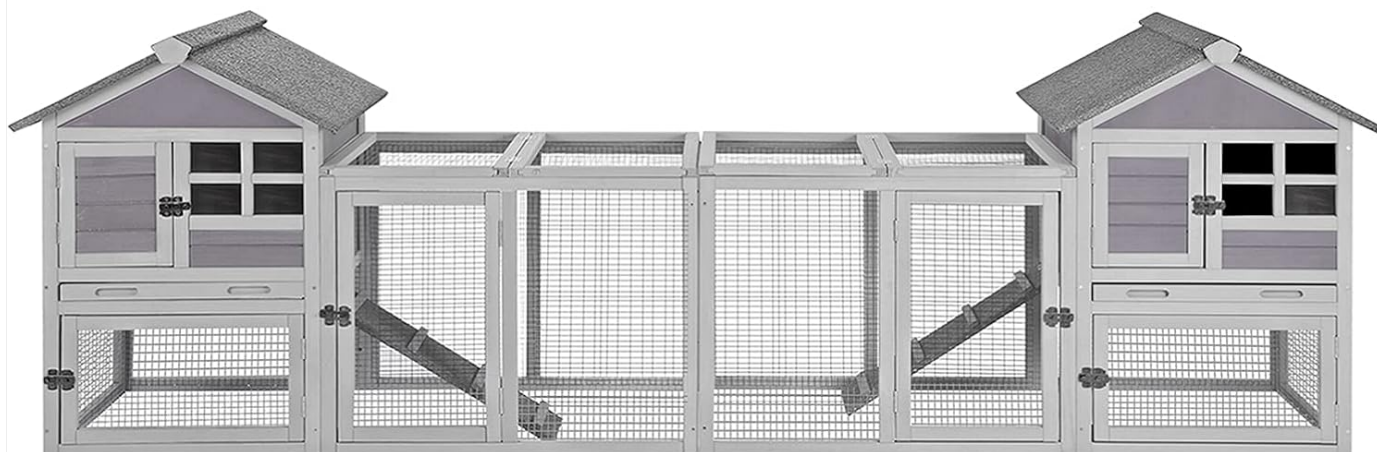

3. PACKAGE CONTENTS

The GUTINNEEN Expandable Rabbit Hutch comes in two sets, allowing for a combined large enclosure or two separate units. Please verify that all components are present before beginning assembly.

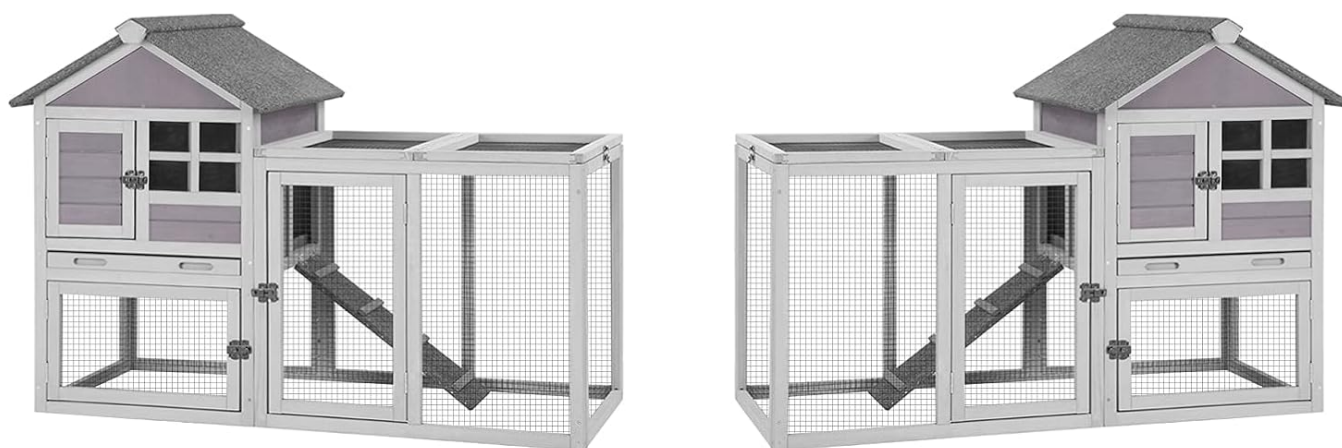

- Wooden panels for sleeping areas and frames
- Wire mesh panels for run areas
- Weather-resistant asphalt roof sections
- Plastic trays (leak-proof)
- Ramps with asphalt coating
- Access doors with anti-predator locks
- Connecting hardware (screws, bolts, hinges, etc.)

- Assembly instructions (this manual)

4. ASSEMBLY AND SETUP

Assembly of the GUTINNEEN Rabbit Hutch is designed to be straightforward. Follow the included step-by-step instructions carefully. It is recommended to have at least two people for assembly.

4.1 Configuration Options

The hutch offers two primary configurations:

- **Combined Large Enclosure:** Connect both sets to create a spacious 103.2-inch long habitat, providing ample room for pets to run and explore.
- **Two Separate Units:** Assemble each set independently to form two distinct hutches, suitable for pets requiring separate living spaces.

Comfortable Home For Pets

4.2 General Assembly Steps

1. Unpack all components and verify against the package contents list.
2. Assemble the main wooden frames for the sleeping areas, ensuring all panels are oriented correctly.
3. Attach the wire mesh panels to form the run areas.
4. Install the ramps connecting the upper sleeping areas to the lower run areas.
5. Place the plastic trays into their designated slots.
6. Secure the asphalt roof sections onto the sleeping areas.
7. Attach all access doors and ensure the anti-predator locks function correctly.
8. If combining two sets, use the provided connectors to securely join the units.

5. OPERATING INSTRUCTIONS

The GUTINNEEN Rabbit Hutch is designed for ease of use and pet safety.

5.1 Access Doors

The hutch features multiple access doors equipped with anti-predator locks. To open, slide the latch mechanism and pull the door open. Always ensure doors are securely closed and latched when pets are inside to prevent escape or predator entry.

5.2 Ramps

Asphalt-coated ramps provide easy access for pets between the upper sleeping areas and the lower run areas. Ensure ramps are free from obstructions and are stable for your pets to use.

6. MAINTENANCE

Regular maintenance is crucial for the hygiene, safety, and longevity of your rabbit hutch.

6.1 Cleaning the Plastic Trays

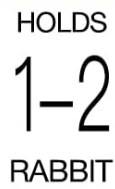

The hutch features leak-proof plastic trays for easy cleaning. Simply slide out the trays, empty waste, and wash with pet-safe cleaning solutions. Rinse thoroughly and dry before returning them to the hutch.

6.2 General Cleaning

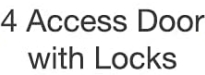

- Regularly sweep or vacuum the run areas to remove debris and droppings.
- Wipe down wooden surfaces with a damp cloth and pet-safe cleaner. Avoid harsh chemicals that could harm your pets.
- Inspect the wire mesh for any rust or damage. Clean as needed.

6.3 Structural Inspection

- Periodically check all screws and fasteners to ensure they are tight. Re-tighten as necessary.
- Inspect the asphalt roof for any cracks or damage that could compromise its weather resistance. Repair with appropriate sealant if needed.
- Examine wooden components for signs of chewing, rot, or splintering. Address these issues promptly to maintain structural integrity and pet safety.

Large enclosure holds 1-2 Rabbit (small-medium) for safe roaming

7. TROUBLESHOOTING

7.1 Doors or Ramps Becoming Loose

- **Issue:** Doors or ramps feel wobbly or have come detached.
- **Solution:** Check all screws and hinges. Tighten any loose fasteners. If parts are broken, contact customer support for replacements.

- **Issue:** Wire mesh is bent, broken, or showing signs of rust.
- **Solution:** Small bends can often be reshaped. For significant damage or rust, consider replacing the affected panel to maintain predator protection and pet safety.

- **Issue:** Water is entering the hutch from the roof or trays are overflowing.
- **Solution:** Ensure the asphalt roof is intact and free of cracks. Apply a waterproof sealant if necessary. For trays, ensure

they are correctly seated and not overfilled. Clean trays regularly to prevent blockages.

7.4 General Instability

- **Issue:** The entire hutch feels unstable or wobbly.
- **Solution:** Verify that the hutch is placed on a completely flat and solid surface. Re-check all assembly connections and tighten every screw.

8. SPECIFICATIONS

Brand	GUTINNEEN
Model Number	B09BZ5SP59
