Blomus NEXIO 66332 Shower Basket User Manual

Model: 66332

1. INTRODUCTION

Thank you for choosing the Blomus NEXIO Shower Basket. This manual provides essential information for the proper setup, use, and maintenance of your new shower accessory. Designed for functionality and style, the NEXIO shower basket helps organize your shower essentials efficiently.

2. PRODUCT OVERVIEW

The Blomus NEXIO Shower Basket is a versatile storage solution for your shower. It features a minimalist design that complements various bathroom interiors. The basket is constructed from high-quality powder-coated stainless steel, ensuring durability and rust resistance. Inside, it includes a removable plastic tray for easy cleaning and a wide elastic band designed to securely hold smaller items or inverted bottles.

Figure 2.1: Front view of the Blomus NEXIO Shower Basket. This image displays the sleek, rectangular design of the white shower basket, highlighting its clean lines and robust construction.

Figure 2.2: Blomus NEXIO Shower Basket in use. This image illustrates the practical internal features, including the removable plastic tray and the wide elastic band securely holding an inverted shower gel bottle, demonstrating its utility for various shower items.

3. SETUP AND INSTALLATION

Your Blomus NEXIO Shower Basket comes with a mounting kit for installation. The basket can also be mounted without drilling, though additional accessories for this method are not included.

3.1. Included Components:

- NEXIO Shower Basket
- Mounting Kit

3.2. Installation Steps (with mounting kit):

1. **Choose Location:** Select a suitable location in your shower area, ensuring it is at a convenient height and on a stable surface.
2. **Mark Drilling Points:** Use the mounting kit to mark the precise drilling points on the wall. Ensure the marks are level.
3. **Drill Holes:** Drill holes at the marked points using an appropriate drill bit for your wall type.
4. **Insert Wall Plugs:** Insert the provided wall plugs into the drilled holes.
5. **Attach Bracket/Basket:** Secure the shower basket to the wall using the screws from the mounting kit. Tighten firmly but do not overtighten.
6. **Verify Stability:** Gently pull on the installed basket to ensure it is securely fastened to the wall before placing items inside.

For mounting without drilling, please refer to the instructions provided with your specific adhesive or non-drilling mounting accessories (not included with this product).

4. OPERATING AND USAGE

The Blomus NEXIO Shower Basket is designed for straightforward use to organize your shower essentials.

4.1. Storing Items:

- Place shampoo bottles, soap, sponges, and other shower accessories directly into the main compartment of the basket.
- Utilize the wide elastic band inside the basket to securely hold smaller items like razors, toothbrushes, or to keep inverted shower gel tubes stable for easy dispensing.

4.2. Removable Tray:

- The plastic tray at the bottom of the basket is removable. This allows for easy cleaning and prevents water from pooling, promoting hygiene.

5. CARE AND MAINTENANCE

Proper care will ensure the longevity and appearance of your Blomus NEXIO Shower Basket.

5.1. Cleaning the Stainless Steel:

- Regularly wipe the stainless steel surfaces with a soft, damp cloth.
- For more stubborn marks, use a mild soap solution and then rinse thoroughly with clean water.
- Dry the surface immediately with a soft, dry cloth to prevent water spots and maintain its finish.
- Avoid abrasive cleaners, scouring pads, or harsh chemicals, as these can damage the powder-coated finish.

5.2. Cleaning the Plastic Tray:

- The plastic tray can be easily removed from the basket.
- Wash the tray with warm soapy water.
- Rinse thoroughly and allow it to air dry completely before placing it back into the basket.

6. TROUBLESHOOTING

This section addresses common concerns you might encounter with your shower basket.

6.1. Basket feels loose after installation:

- Ensure all screws are tightened securely. Do not overtighten.
- Verify that the wall plugs are properly seated in the wall. If the wall material is soft, consider using larger or different types of wall anchors.

6.2. Water pooling in the basket:

- The basket is designed with drainage. Ensure the removable plastic tray is correctly positioned and not

obstructing drainage holes.

- Regularly remove and clean the plastic tray to prevent buildup that could impede drainage.

6.3. Elastic band losing elasticity:

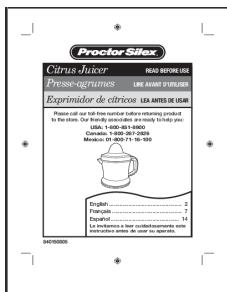

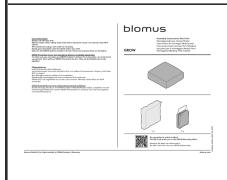

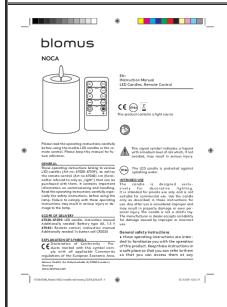

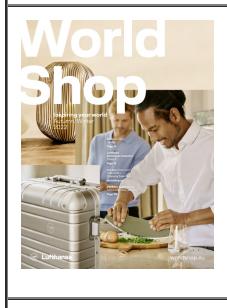

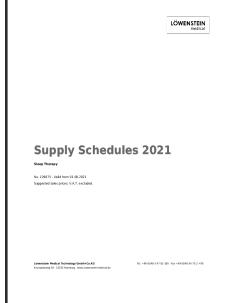

- Over time, elastic materials can stretch. Avoid overstretching the band with excessively large or heavy items.
- If the band significantly loses its function, contact Blomus customer support for potential replacement options (availability may vary).

7. SPECIFICATIONS

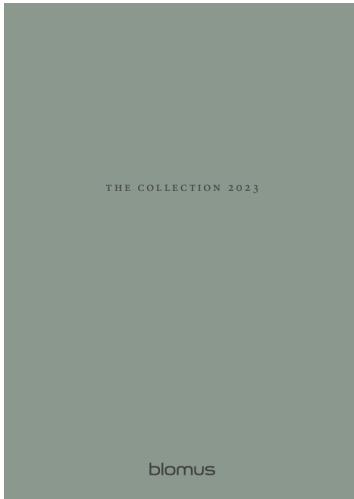

Feature	Detail
Model Number	66332
Brand	blomus
Dimensions (L x W x H)	25 cm x 12 cm x 8.5 cm (9.84 in x 4.72 in x 3.35 in)
Weight	719 grams (1.58 lbs)
