SAFETY INFORMATION

Important Safety Warnings:

- Ensure the chair is used by adults.
- Maximum weight capacity: 350 lbs (158.76 kg). Do not exceed this limit to prevent chair failure and potential injury.
- Use on hard, level surfaces only. Avoid uneven ground to ensure stability.
- Properly assemble the chair following the instructions and video provided. Verify all fasteners are securely tightened before use.
- Always ensure the chair is stable before sitting.
- Improper use may result in injury or damage to the product.

PACKAGE CONTENTS

Your LUE BONA HDPS Adirondack Chairs package should contain the following items for each chair:

- Chair Backrest
- Chair Seat
- Left Armrest with integrated cup holder
- Right Armrest
- Front Legs (2)
- Back Legs (2)
- Support Braces
- Hardware Pack (bolts, nuts, washers)
- Allen Wrench (Phillips screwdriver not included)
- Instruction Manual

Please check all components against the parts list in your physical manual to ensure nothing is missing before beginning assembly. If any parts are missing or damaged, please contact customer support.

SETUP AND ASSEMBLY

Assembly of your LUE BONA Adirondack Chairs is designed to be straightforward. An Allen wrench is provided for assembly. A Phillips screwdriver is not included but may be helpful for some steps.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a soft, clean surface to prevent scratches.
2. **Identify Parts:** Refer to the parts list in your physical manual to identify each component.
3. **Initial Fastening:** Begin by attaching the backrest to the seat. Insert bolts loosely at first.
4. **Attach Legs:** Secure the front and back legs to the seat and backrest, again inserting bolts loosely.
5. **Install Armrests:** Attach the armrests, ensuring the armrest with the cup holder is on the desired side.
6. **Secure Support Braces:** Fasten any cross-braces or support pieces as indicated in the manual.

7. **Final Tightening:** Once all bolts are in place, gradually tighten all fasteners using the provided Allen wrench. Do not overtighten. Ensure the chair is stable and all connections are secure.

For a visual guide, please refer to the assembly video below:

OPERATING INSTRUCTIONS

Your LUE BONA HDPS Adirondack Chairs are designed for comfortable outdoor seating. Follow these guidelines for optimal use:

- **Placement:** Position your chairs on a stable, flat surface in your patio, garden, poolside, or deck area.
- **Seating:** Sit gently into the chair, distributing your weight evenly. The ergonomic design provides back support and comfort.
- **Cup Holder:** The integrated cup holder in the armrest can be extended for use and retracted when not needed to save space. Ensure it is fully extended before placing a drink.
- **Weight Limit:** Adhere strictly to the 350 lbs (158.76 kg) weight capacity.

MAINTENANCE

LUE BONA HDPS Adirondack Chairs are designed for minimal maintenance due to their weather-resistant HDPS material. To ensure longevity and appearance:

- **Cleaning:** Wipe down the chairs regularly with a damp cloth and mild soap to remove dirt, dust, or spills. Rinse thoroughly with water. Avoid harsh chemicals or abrasive cleaners, which can damage the material.
- **Stain Removal:** For stubborn stains, a soft brush can be used with mild soap and water.
- **Weather Resistance:** The HDPS material is designed to resist rot, fading, and other weather-related damage, making it suitable for all seasons, including winter. No special covering is typically required, but storing indoors during extreme weather can further extend product life.
- **Inspection:** Periodically check all bolts and connections to ensure they remain tight. Retighten if necessary.

EASY TO CLEAN

No worry about sweat / leaking / dust any more

TROUBLESHOOTING

If you encounter any issues with your LUE BONA Adirondack Chairs, please refer to the following common troubleshooting tips:

- **Chair feels wobbly:**

- Ensure all bolts are securely tightened. Loosen all bolts slightly, gently rock the chair to settle it, then retighten all bolts evenly.
- Verify the chair is on a flat, level surface.

- **Difficulty with assembly:**

- Review the assembly instructions and video carefully.

- Ensure you are using the correct hardware for each step.
- Do not fully tighten bolts until all components are loosely assembled.

- **Parts missing or damaged:**

- Contact LUE BONA customer support immediately with your purchase details.

WARRANTY AND SUPPORT

LUE BONA stands behind the quality of its products. For specific warranty details, please refer to the documentation included with your purchase or visit the official LUE BONA website. If you require assistance, have questions, or need to report an issue, please contact LUE BONA customer support.
