BOFENG Twin

BOFENG Twin Size Bed Frame with Vintage Wood Headboard - Instruction Manual

Model: Twin | Brand: BOFENG

1. Product Overview

This BOFENG Twin Size Bed Frame is designed for durability and ease of use, featuring a sturdy metal platform and a stylish vintage wood headboard. It eliminates the need for a box spring, providing direct support for your mattress.

Key Features:

- **Durable Construction:** Headboard and footboard are made from 1.5-inch high-quality steel pipes.
- **Sturdy Support:** Robust steel slats prevent mattress sagging and support up to 800 pounds.
- **Elegant Design:** Features P2 grade MDF wood board, durable, waterproof, and scratch-resistant, adding a classic retro look to your bedroom.
- **Noise Reduction:** Rubber strips on slats prevent noise. Plastic foot plugs protect your floor.
- **No Box Spring Needed:** Mattress can be placed directly on the steel slat support system.

2. Safety Information

Please read and understand all safety warnings before assembly and use. Failure to follow these instructions may result in injury or product damage.

- **Weight Limit:** Do not exceed the maximum weight capacity of 800 pounds (approximately 363 kg).
- **Assembly:** Always follow the assembly instructions carefully. Ensure all screws and connections are securely tightened before use.
- **Children:** Keep small parts away from children during assembly.
- **Placement:** Place the bed frame on a flat, stable surface.
- **Inspection:** Periodically check all connections and hardware to ensure they remain tight.

3. Package Contents

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact

customer support.

- Steel Metal Bed Frame Components
- MDF Wood Headboard and Footboard Panels
- Assembly Instruction Manual
- Hardware Pack (Screws, Bolts, Hex Wrench)

4. Setup and Assembly

Assembly is designed to be straightforward. All parts are clearly labeled. Please refer to the included detailed assembly manual for step-by-step instructions and diagrams. No additional tools are required beyond what is provided.

Assembly Steps (General Guide):

1. **Unpack:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. **Identify Parts:** Match each part to the corresponding label in the instruction manual.
3. **Assemble Headboard and Footboard:** Attach the vintage wood panels to the metal frames using the provided hardware.
4. **Connect Side Rails:** Securely attach the side rails to the headboard and footboard.
5. **Install Center Support:** Assemble and install any central support beams and legs.
6. **Place Slats:** Lay the steel slats across the frame. Ensure the rubber strips are correctly positioned to prevent noise. Secure them as indicated in the manual.
7. **Final Check:** Double-check all screws and bolts to ensure they are fully tightened.

5. Operating Instructions

Once assembled, the BOFENG Twin Size Bed Frame is ready for immediate use.

- **Mattress Placement:** Simply place your twin-size mattress directly onto the steel slats. A box spring is not required.
- **Weight Distribution:** For optimal longevity, distribute weight evenly across the bed surface.

6. Maintenance

Regular maintenance helps ensure the longevity and safety of your bed frame.

- **Cleaning:** Wipe the metal and wood surfaces with a dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **Hardware Check:** Periodically (e.g., every 3-6 months) inspect all bolts and screws. Tighten any loose connections to maintain stability and prevent squeaking.

- **Floor Protection:** The plastic foot plugs are designed to protect your floor. Ensure they are intact and in place.

7. Troubleshooting

If you encounter any issues, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Bed frame is wobbly or unstable.	Loose bolts or incorrect assembly.	Ensure all bolts and screws are securely tightened. Review the assembly manual to confirm all parts are correctly installed.
Squeaking noises.	Loose connections or slats rubbing against the frame.	Tighten all hardware. Verify that the rubber strips on the slats are properly positioned.
Missing parts or damaged components upon arrival.	Manufacturing or shipping error.	Contact BOFENG customer support immediately for free replacement parts.
