## 1. PRODUCT OVERVIEW

The Farberware Classic Nylon Slotted Spoon is designed for efficient draining and serving in your kitchen. Its durable construction and heat-resistant properties make it a versatile tool for various cooking tasks.

- **Essential Kitchen Tool:** Efficiently drains liquids while securely holding food.
- **Heat Resistant Design:** Withstands temperatures up to 500°F (260°C). Safe for all cookware, including nonstick pans.
- **Comfortable Grip:** Ergonomic handle for secure control.
- **Durable Construction:** Made from high-quality nylon for long-lasting performance.
- **Easy Care:** Dishwasher safe for convenient cleanup.

## 2. INITIAL USE AND PREPARATION

---

Before first use, wash the Farberware Classic Nylon Slotted Spoon thoroughly with warm, soapy water. Rinse completely and dry. This ensures the utensil is clean and ready for food contact.

### 3. USAGE GUIDELINES

---

This slotted spoon is designed for a variety of kitchen tasks:

- **Draining:** Use the slotted head to lift foods like pasta, vegetables, or dumplings from boiling water, allowing liquids to drain away.
- **Serving:** Ideal for serving items from soups, stews, or casseroles, leaving excess liquid behind.
- **Stirring:** The durable nylon construction is safe for stirring ingredients in all types of cookware, including delicate nonstick surfaces, without scratching.
- **Heat Resistance:** The spoon can safely be used in temperatures up to 500°F (260°C), making it suitable for use with hot foods and liquids.

### 4. CARE AND MAINTENANCE

---

Proper care will extend the life of your Farberware Classic Nylon Slotted Spoon.

- **Cleaning:** This utensil is dishwasher safe for easy and convenient cleaning. For best results, place it in the top rack of your dishwasher. It can also be hand-washed with warm, soapy water.

- **Storage:** Store in a utensil crock or hang using the integrated hole in the handle for easy access and to save drawer space.
- **Avoid Harsh Abrasives:** Do not use abrasive cleaners or scouring pads, as these can damage the nylon surface.

## 5. TROUBLESHOOTING / COMMON QUESTIONS

**Q: Is the spoon safe for nonstick cookware?**

A: Yes, the nylon material is specifically designed to be safe for use on all types of cookware, including nonstick and coated surfaces, without causing scratches.

**Q: Can this spoon be used in very hot oil?**

A: The spoon is heat resistant up to 500°F (260°C). While it can withstand high temperatures, prolonged exposure to extremely hot oil (e.g., deep frying) should be done with caution to prevent potential damage or discoloration over time.

**Q: What if the spoon gets stained?**

A: For stubborn stains, try soaking the spoon in warm, soapy water before washing. A paste of baking soda and water can also be gently applied and scrubbed with a soft brush for tougher stains, then rinsed thoroughly.

## 6. PRODUCT SPECIFICATIONS

<b>Model Number</b>	5211665
<b>Brand</b>	Farberware
<b>Material</b>	Nylon (BPA Free)
<b>Color</b>	Black (Classic)
<b>Product Dimensions</b>	13.5 x 2.87 x 2.05 inches (34.3 x 7.3 x 5.2 cm)
