Michael Kors Chelsea Bright MK 1101B 1014GO Sunglasses User Manual

Model: MK 1101B (0MK1101B)

INTRODUCTION

Welcome to the user manual for your new Michael Kors Chelsea Bright MK1101B sunglasses. These stylish aviator sunglasses feature a light gold metal frame with gold gradient lenses, designed for women. The temples are adorned with the distinctive Michael Kors logo and subtle gem detailing, enhancing their elegant appeal. This manual provides essential information on the proper use, care, and maintenance of your sunglasses to ensure their longevity and optimal performance.

SETUP AND INITIAL USE

Unboxing

Carefully remove your sunglasses from their packaging. Inspect them for any visible damage or defects. The package should include the sunglasses, a protective case, and a cleaning cloth.

Initial Fit

Gently place the sunglasses on your face. Ensure they rest comfortably on your nose bridge and behind your ears without causing pressure points. The frame should sit level on your face. If the fit feels too loose or too tight, minor adjustments can sometimes be made by an optical professional.

OPERATING INSTRUCTIONS

Wearing Your Sunglasses

- Always use both hands to put on and take off your sunglasses to avoid bending the frame or misaligning the temples.
- Ensure the lenses are clean before wearing to maintain clear vision and prevent eye strain.
- Avoid pushing the sunglasses onto your head, as this can stretch the frame and loosen the hinges over time.

Handling Precautions

- Do not place sunglasses face down on hard surfaces to prevent scratching the lenses.
- Avoid exposing sunglasses to extreme heat, such as leaving them on a car dashboard in direct sunlight, as this can warp the frame and damage lens coatings.
- Keep sunglasses away from harsh chemicals, solvents, or abrasive materials.

MAINTENANCE AND CARE

Cleaning Your Sunglasses

1. Rinse the lenses under lukewarm running water to remove dust and loose particles. Avoid hot water.
2. Apply a small drop of mild dish soap (non-lotion based) to each lens.
3. Gently rub the lenses and frame with your fingertips to clean.
4. Rinse thoroughly to remove all soap residue.
5. Dry the lenses and frame with the provided microfiber cleaning cloth. Do not use paper towels or clothing, as these can scratch the lenses.

Storage

When not in use, always store your Michael Kors sunglasses in their original protective case. This protects them from scratches, dust, and accidental damage. Store them in a cool, dry place away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

- **Lenses appear smudged after cleaning:** Ensure you are using the provided microfiber cloth and that it is clean. Avoid using cleaning solutions with alcohol or ammonia. Rinse thoroughly to remove all soap residue.
- **Sunglasses feel loose:** Over time, hinges may loosen. For minor adjustments, gently tighten the screws on the hinges with a small optical screwdriver. For significant loosening or frame distortion, consult an optical professional.
- **Minor scratches on lenses:** Unfortunately, lens scratches cannot be removed. To prevent further scratches, always store sunglasses in their case and clean them properly.

SPECIFICATIONS

Feature	Detail
Brand	Michael Kors
