SINWEEK 2 Inch Mattress Topper User Manual

Brand: SINWEEK | Model: Twin 2 Inch-Blue

1. INTRODUCTION

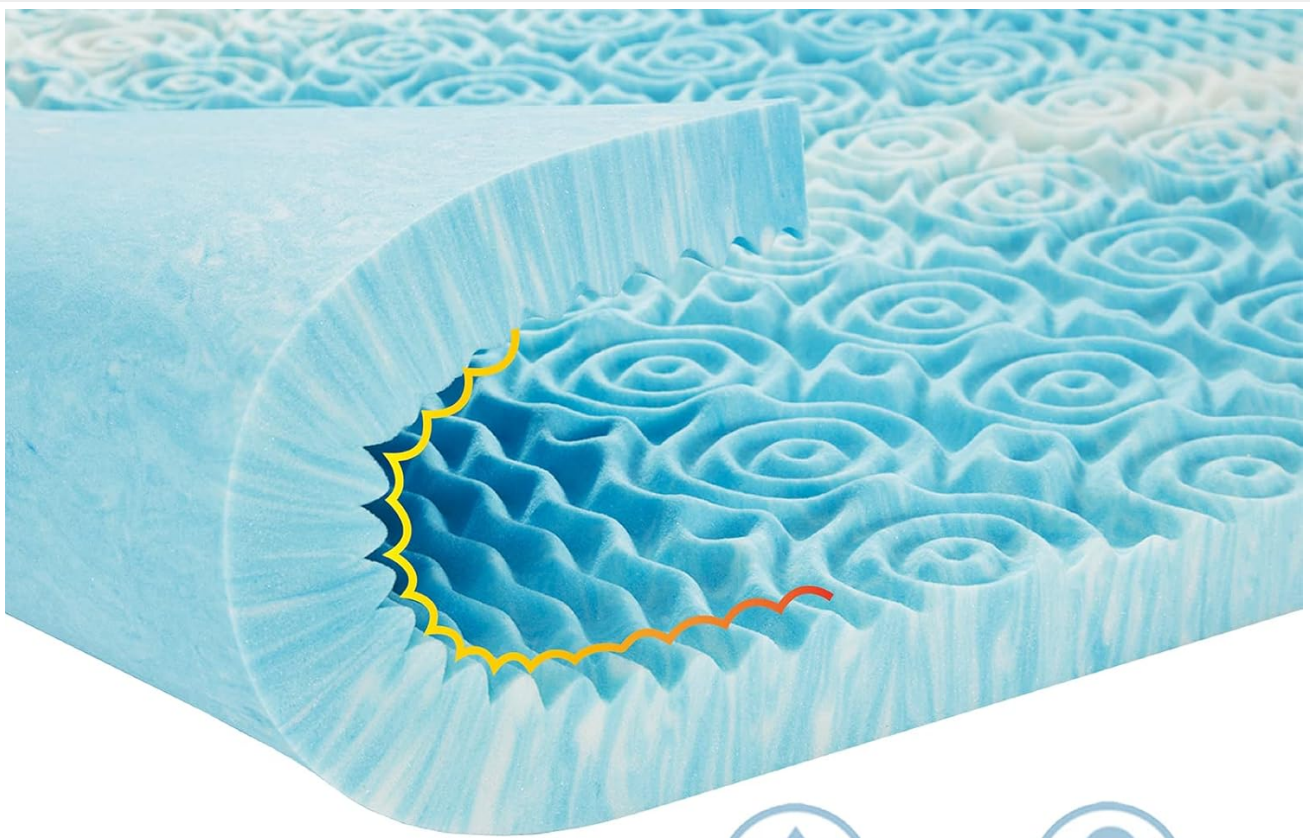

Thank you for choosing the SINWEEK 2 Inch Memory Foam Mattress Topper. This topper is designed to enhance your sleep experience by providing superior comfort and support. It features a unique 5-zone design for targeted pressure relief and is made with CertiPUR-US certified gel memory foam, ensuring both comfort and safety.

The SINWEEK 2 Inch Memory Foam Mattress Topper, designed for enhanced sleep comfort.

Key Features:

- **Total Pressure Point Relief:** Unique 5-zone design provides compliant support across the entire body (head and neck, torso, hips, upper legs, feet and calves), distributing weight evenly to alleviate pressure points.
- **Gel Memory Foam:** Reduces heat and improves airflow for refreshing breathability, adding customized comfort to your mattress.
- **Mattress Upgrade:** An affordable solution to fix a sagging mattress, soften a hard mattress, or prolong your mattress life.
- **CertiPUR-US Certified:** Made of materials that meet or exceed standards for content, emissions, and durability, ensuring a safe sleeping environment.

2. SETUP INSTRUCTIONS

Your SINWEEK mattress topper is vacuum-packed for convenient shipping. Follow these steps to properly set up your new topper:

1. **Unpack:** Carefully remove the mattress topper from its packaging. Be gentle to avoid damaging the foam.
2. **Unroll:** Lay the compressed mattress topper flat on a clean, well-ventilated surface, preferably on top of your mattress.
3. **Expand:** Allow **48-72 hours** for the memory foam to fully expand to its intended size and shape. Low temperatures may require more time. For optimal expansion, maintain a suitable room temperature (around 78°F / 25°C).
4. **Air Out:** During the expansion period, it is normal for the foam to have a slight, harmless odor. This will dissipate as the topper airs out. Ensure the area is well-ventilated.

ARRIVE IN A BOX, EASY TO SET UP

3. OPERATING INSTRUCTIONS

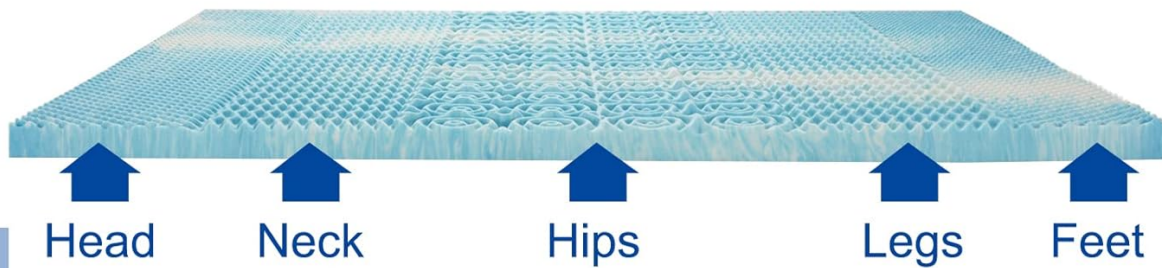

Once fully expanded, simply place the SINWEEK mattress topper directly on top of your existing mattress. The 5-zone design will naturally align with your body's contours, providing targeted support and pressure relief for a restful night's sleep.

Experience optimal spinal alignment and comfort with the 5-zone design.

5 ZONE MEMORY FOAM TOPPERS

The 5-zone design provides targeted support for different body areas.

4. MAINTENANCE

To ensure the longevity and hygiene of your SINWEEK mattress topper, please follow these care instructions:

- **Cleaning:** The mattress topper is **Spot Clean Only**. Do not machine wash, tumble dry, or dry clean. Use a mild detergent and a damp cloth to gently clean any soiled areas.
- **Drying:** Allow the spot-cleaned area to air dry completely before placing bedding back on the topper.
- **Protection:** For best results and to protect against spills and stains, we recommend using a mattress protector over your topper.
- **Airing:** Periodically air out the topper in a well-ventilated room to maintain freshness and prevent moisture buildup.

5. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Topper not fully expanding	Insufficient expansion time or low room temperature.	Allow 48-72 hours for full expansion. Ensure room temperature is around 78°F (25°C). Gently massage or scrunch the unexpanded areas to encourage airflow.
Slight odor from topper	Normal off-gassing from new memory foam.	Ensure the topper is in a well-ventilated area during the initial expansion period. The odor is harmless and will dissipate over time.
Topper slipping on mattress	Lack of friction between topper and mattress or bedding.	Place a fitted sheet or mattress protector over both the topper and your mattress to hold it in place. Some users find non-slip pads helpful.

6. SPECIFICATIONS

Attribute	Detail
Brand	SINWEEK
Color	Blue
Size	Twin
Fabric Type	Memory Foam
Special Feature	Durability
Closure Type	Pull On
Product Care Instructions	Spot Clean Only
Water Resistance Level	Not Water Resistant
Age Range (Description)	All ages
