

MERITLINE Full Over Full Bunk Bed with Twin Size Trundle

MERITLINE Full Over Full Bunk Bed with Trundle (Espresso)
User Manual

Model: Full Over Full Bunk Bed with Twin Size Trundle | Brand: MERITLINE

INTRODUCTION

Thank you for choosing the MERITLINE Full Over Full Bunk Bed with Twin Size Trundle. This versatile wooden bunk bed is designed to provide comfortable sleeping space and can be separated into two full-size platform beds. It features solid pine legs and a durable frame for long-term use. This manual provides essential information for safe assembly, operation, maintenance, and troubleshooting to ensure you get the most out of your product.

SAFETY INFORMATION

Please read and understand all safety warnings and instructions before assembly and use. Failure to follow these guidelines may result in serious injury.

- **Weight Capacity:** Do not exceed the maximum weight limits. The upper bed has a weight capacity of 250 lbs, the lower bed 300 lbs, and the trundle bed 175 lbs.
- **Guardrails:** The upper bunk is equipped with full-length guardrails. Ensure they are always securely in place to prevent falls.
- **Ladder:** The integrated ladder is designed for safe access to the upper bunk. Always use the ladder when ascending or descending.
- **Trundle Bed:** Exercise caution when pulling out or pushing in the trundle bed to avoid pinching fingers or toes.
- **Mattress Thickness:** Recommended mattress thickness is 6 inches for the upper bed, 8 inches for the bottom bed, and 8 inches for the trundle bed. Ensure mattresses fit snugly to prevent gaps.
- **Assembly:** Proper assembly is crucial for stability. Follow all assembly instructions carefully.

PRODUCT OVERVIEW

The MERITLINE Full Over Full Bunk Bed with Trundle offers a space-saving solution with versatile sleeping arrangements. Its robust wooden construction ensures durability.

Number of Slats (Upper Bed)	14
Number of Slats (Bottom Bed)	14
Number of Slats (Trundle Bed)	7
Assembly Required	Yes

SETUP AND ASSEMBLY

Assembly of the MERITLINE Full Over Full Bunk Bed is required. Please ensure you have all parts and hardware before beginning. It is recommended to have at least two adults for assembly due to the size and weight of the components.

- Unpack:** Carefully unpack all components and hardware. Verify that all parts listed in the included instructions are present. Note that the item typically ships in 2 boxes, which may arrive separately.
- Tools:** Gather any necessary tools as specified in the assembly guide (e.g., Allen wrench, screwdriver). An Allen wrench is usually provided.
- Follow Instructions:** Refer to the detailed assembly instructions provided with your product. Follow each step sequentially to ensure correct and secure construction.
- Secure Connections:** Ensure all bolts, screws, and fasteners are tightened securely. Do not overtighten to avoid damaging the wood.
- Placement:** Assemble the bed in its intended location, as moving a fully assembled bunk bed can be challenging due to its weight and size.

OPERATING INSTRUCTIONS

The MERITLINE bunk bed offers flexible usage options:

- Trundle Bed Operation:** To use the twin-size trundle bed, gently pull the front panel from beneath the lower bunk. The trundle is equipped with wheels for smooth extension and retraction. Push it back in when not needed to save space.
- Separating Bunks:** The full over full bunk bed can be disassembled and configured as two independent full-size platform beds. Refer to the assembly instructions for detailed steps on how to safely separate the units.

MAINTENANCE

Proper care will extend the life and appearance of your bunk bed:

- **Cleaning:** Wipe the wooden surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners that could damage the finish.
- **Regular Checks:** Periodically check all bolts and fasteners to ensure they remain tight. Re-tighten if necessary to maintain structural integrity.
- **Avoid Moisture:** Protect the wood from excessive moisture and direct sunlight to prevent warping or fading.

TROUBLESHOOTING

If you encounter any issues with your MERITLINE bunk bed, consider the following common solutions:

- **Squeaking Noises:** Check all connections and tighten any loose bolts. Ensure the bed is on a level surface.
- **Instability/Wobbling:** Verify that all parts are correctly assembled according to the instructions and that all fasteners are securely tightened. Ensure the bed is placed on a flat, stable floor.
- **Missing Parts:** If you find any parts missing upon delivery, please contact MERITLINE customer support immediately.

WARRANTY INFORMATION

For specific warranty details regarding your MERITLINE Full Over Full Bunk Bed with Trundle, please refer to the warranty card included with your product or visit the official MERITLINE website. Keep your proof of purchase for any warranty claims.

CUSTOMER SUPPORT

If you require further assistance, have questions about assembly, or need to report missing/damaged parts, please contact MERITLINE customer support. Contact information can typically be found on the product packaging, the included documentation, or the official MERITLINE website.

ASK A QUESTION ABOUT THIS MANUAL

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
