4. Installation

Installing the dust cover is a simple process:

1. Ensure your bill counter is turned off and unplugged before placing the cover.
2. Carefully unfold the dust cover.
3. Place the dust cover over your bill counter, ensuring it fully covers the top, sides, and front/back openings to prevent dust ingress.
4. When using the machine, remove the dust cover completely.

5. Maintenance and Care

To ensure the longevity and effectiveness of your dust covers:

- **Cleaning:** Wipe the dust cover with a damp cloth to remove accumulated dust and dirt. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** When not in use, fold the cover neatly and store it in a dry place.
- **Replacement:** For optimal protection, it is recommended to replace the dust cover every 3 months, or sooner if it shows signs of wear or damage. The 4-piece set provides a full year of protection with regular replacement.
