Tiptiper V-1

Tiptiper Vanity Desk Model V-1: Assembly and Operation Manual

Model: V-1 | Brand: Tiptiper

INTRODUCTION

Thank you for choosing the Tiptiper Vanity Desk Model V-1. This manual provides essential information for the safe assembly, operation, and maintenance of your new vanity desk. Please read these instructions carefully before beginning assembly and retain them for future reference.

SAFETY INFORMATION

- Ensure all parts are present and undamaged before assembly. Do not use if any parts are missing or broken.
- Assemble the vanity desk on a soft, clean surface to prevent scratches.
- Keep small parts away from children during assembly.
- Do not overtighten screws during assembly, as this may damage the material.
- Place the vanity desk on a level surface to prevent tipping.
- The stool has a maximum load capacity. Do not exceed this limit.
- For electrical components (LED lights), ensure proper connection to a suitable power source. Do not expose to water.

PACKAGE CONTENTS

Before starting assembly, verify that all components listed in the included hardware and instruction manual are present. A Philips screwdriver (not included) will be required for assembly.

- Vanity Desk Components (Engineered Wood)
- Tri-Folding Mirror with 10 LED Light Bulbs
- Matching Stool (Engineered Wood with Cushioned Seat)
- Assembly Hardware (Screws, Washers, etc.)
- Instruction Manual

SETUP (ASSEMBLY)

The Tiptiper Vanity Desk is designed for straightforward assembly. Follow the step-by-step instructions provided in the separate assembly guide included in your package. Typically, assembly involves:

1. Attaching the legs to the main desk frame.
2. Securing the mirror assembly to the desktop.
3. Installing the drawers into their respective slots.
4. Assembling the stool.
5. Connecting the LED light power cable.

Ensure all connections are secure before use. If you encounter any difficulties, refer to the detailed diagrams in your assembly guide.

OPERATING INSTRUCTIONS

Tri-Folding Mirror

The tri-folding mirror allows for multiple viewing angles. Adjust the side panels to your preferred position for comprehensive visibility during makeup application or hair styling.

LED Lighting System

The vanity desk is equipped with 10 Hollywood-style LED light bulbs offering three distinct color lighting modes and adjustable brightness.

- **Warm Yellow:** Suitable for evening makeup.
- **Warm White:** Ideal for indoor makeup application.
- **Cold White:** Best for daily makeup routines.

To operate the lights:

1. **Change Light Color:** Touch the switch on the light control unit.
2. **Adjust Brightness:** Press and hold the switch to increase or decrease the light intensity.

Image: Illustration of the three LED light color modes: Cold Light, Natural Light, and Warm Light, with touch switch and brightness adjustment. This graphic demonstrates how to cycle through light colors and adjust brightness using the integrated touch control.

Storage Features

The vanity desk includes five storage drawers and a spacious desktop for organizing cosmetics, jewelry, and other essentials.

- **Middle Drawer:** Features DIY dividers, allowing you to customize the storage space according to your needs.
- **Desktop:** Includes two dedicated storage boxes for sunglasses or other small items.
- **Mirror Side Panels:** The back of the mirror panels are equipped with 8 necklace hooks for convenient jewelry storage.

Middle Drawer with 3 Dividers

2-in-1 Design Functionality

The top mirror section of the vanity desk is removable. This allows the main desk to be used independently as a writing desk or study table, offering versatile functionality.

MAINTENANCE

- **Cleaning:** Wipe all surfaces with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Mirror Care:** Clean the mirror surfaces with a glass cleaner and a lint-free cloth.
- **Tightening:** Periodically check and tighten all screws and fasteners to ensure stability.
- **LED Lights:** The LED bulbs are designed for long life and are generally not user-replaceable. If issues arise, contact customer support.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Desk/Stool is wobbly	Loose screws or uneven surface.	Ensure all screws are securely tightened. Place on a level surface.
LED lights not working	Power cable not connected, faulty power outlet, or damaged wiring.	Check power cable connection. Try a different outlet. If issue persists, contact customer support.
Drawers do not slide smoothly	Obstruction in the drawer slides or improper installation.	Remove drawer and check for obstructions. Ensure drawers are installed correctly according to assembly instructions.
Missing parts or damaged components upon arrival	Packaging error or transit damage.	Do not proceed with assembly. Contact Tiptiper customer service immediately for replacements.
