MEGA BLOKS Green Town Build 'n Learn Eco House Instruction Manual

Model: HCG36
Brand: Mega Brands

1. PRODUCT OVERVIEW

The MEGA BLOKS Green Town Build 'n Learn Eco House is an engaging building toy designed for toddlers aged 12 months and up. This set encourages imaginative play and introduces concepts of green behaviors, renewable energy, and sustainable living through hands-on building.

The set includes 84 large building blocks and 4 Block Buddies figures, allowing children to construct various eco-friendly structures and scenarios.

Image 1.1: The complete MEGA BLOKS Green Town Build 'n Learn Eco House set, showcasing the packaging, various building blocks, and four Block Buddies figures.

Key Features:

- Made from at least 33% ISCC-certified plastics (mass balance approach), promoting environmental responsibility.
- Includes 84 large building blocks and special pieces for diverse constructions.
- Features 4 Block Buddies figures, made from at least 90% ISCC-certified plastics, for interactive play.
- Packaging is 100% recyclable and made from recycled material.
- Endorsed by Fisher-Price, aiding in the development of fine motor skills, creativity and imagination.

2. SETUP AND ASSEMBLY

The MEGA BLOKS Green Town set requires minimal setup, focusing on immediate play. Follow these steps to begin:

1. **Unboxing:** Carefully remove all components from the recyclable packaging. Ensure all 84 building blocks and 4 Block

Buddies figures are present.

2. **Preparation:** Lay out the blocks on a clean, flat surface. This allows for easy access and encourages creative building.
3. **Initial Inspection:** Before play, inspect all blocks and figures for any damage or small detached parts. Discard any damaged components to ensure child safety.

No complex assembly is required. The blocks are designed for easy stacking and connection by small hands.

3. OPERATING AND PLAY

The Build 'n Learn Eco House set offers numerous possibilities for creative construction and role-playing, focusing on eco-friendly themes. Encourage free play and exploration of the different elements.

Building Concepts:

- **Eco House:** Construct a house structure using the various blocks. The set includes elements like a blue roof with solar panels and a door, promoting understanding of sustainable homes.
- **Renewable Energy:** Build turning wind turbines using the blue blocks and fan pieces. This introduces the concept of wind power.
- **Electric Transport:** Assemble a rolling electric car and two rolling bicycles. These vehicles encourage imaginative play around eco-friendly transportation.
- **Greenhouse & Garden:** Create a greenhouse with vegetable blocks (carrots, tomatoes) and a watering can block, teaching about gardening and food growth.
- **Recycling:** Utilize the brown recycling bin block to discuss waste sorting and recycling.

Image 3.1: A child and adult engaging with the Eco House set, demonstrating interactive play and building.

Educational Play:

Encourage children to:

- **Role-play:** Use the Block Buddies figures to act out scenarios related to living in an eco-friendly town.
- **Problem-solve:** Experiment with different block combinations to create stable structures.
- **Learn about Sustainability:** Discuss the meaning of solar panels, wind turbines, electric vehicles, and gardening as they build.

4. MAINTENANCE AND CARE

Proper care ensures the longevity and hygiene of your MEGA BLOKS set.

- **Cleaning:** Wipe blocks and figures with a damp cloth and mild soap if necessary. Rinse thoroughly with clean water and air dry completely before storing. Do not submerge figures with painted details for extended periods.
- **Storage:** Store all pieces in a clean, dry place away from direct sunlight and extreme temperatures to prevent warping or discoloration. The original packaging can be used for storage.
- **Inspection:** Periodically check all pieces for wear and tear, especially for any sharp edges or broken parts that could pose a safety risk. Discard damaged pieces immediately.

5. TROUBLESHOOTING

Most issues with building block sets are minor and easily resolved.

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Blocks do not connect easily.	Misalignment or debris in connectors.	Ensure blocks are aligned correctly. Check for and remove any small debris from the connecting studs or holes.
Missing pieces.	Pieces may be misplaced or accidentally discarded.	Thoroughly check the play area and packaging. If pieces are genuinely missing from a new set, contact customer support.
Figures do not fit on blocks.	Incorrect orientation or incompatible blocks.	Ensure the figures are placed on the correct type of block (e.g., a 2x2 stud block for standing). All included figures are compatible with the set's blocks.

6. PRODUCT SPECIFICATIONS

Attribute	Detail
