Canon 5074C002

Canon PIXMA TR4720 All-in-One Wireless Printer User Manual

Model: PIXMA TR4720 BK Printer (5074C002)

PRODUCT OVERVIEW

The Canon PIXMA TR4720 is a versatile all-in-one wireless printer designed for home use, offering print, copy, scan, and fax functionalities. It features an auto document feeder, mobile printing capabilities, and automatic two-sided printing for enhanced efficiency.

SETUP AND INSTALLATION

Unboxing and Initial Setup

Carefully remove the printer from its packaging. Ensure all protective tapes and packing materials are removed from the exterior and interior of the printer. Connect the power cord to the printer and a wall outlet.

Ink Cartridge Installation

The PIXMA TR4720 is designed for easy ink cartridge installation. Open the front cover to access the cartridge slots. Insert the black (PG-275) and color (CL-276) ink cartridges into their respective slots until they click into place. Close the cover.

Paper Loading

Load paper into the 100-sheet capacity front paper cassette. Adjust the paper guides to fit the paper size securely.

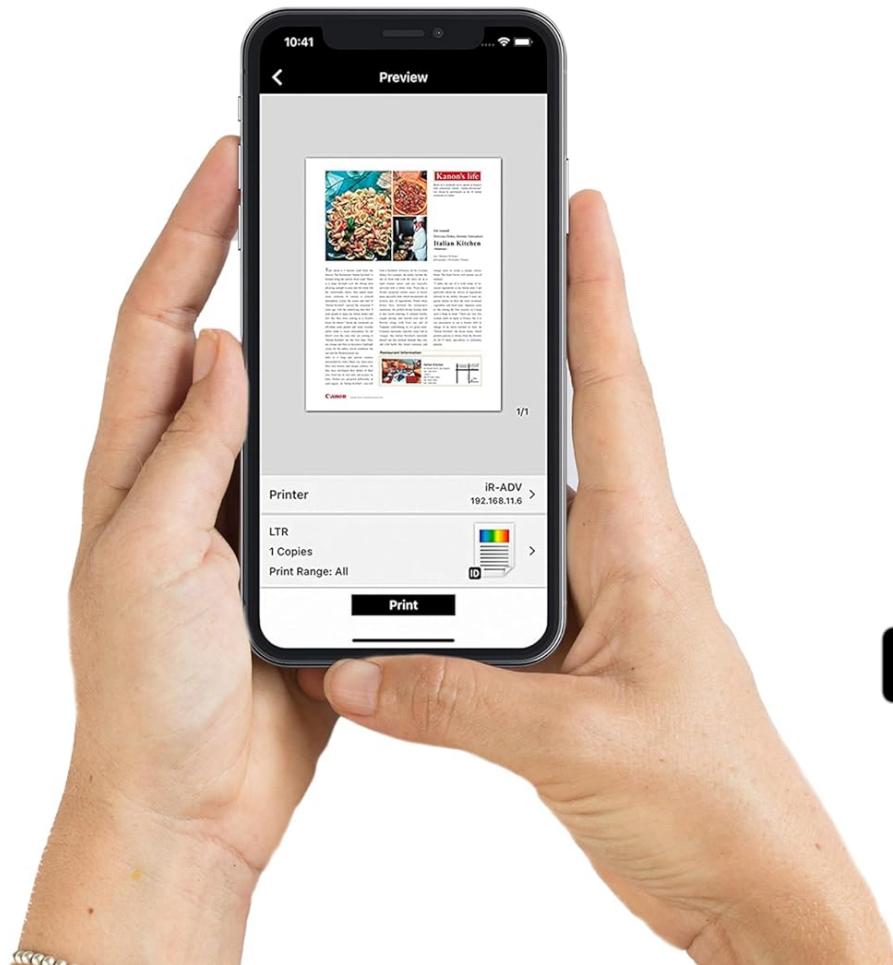

Wireless Connection

Follow the on-screen instructions on the printer's 2-line LCD display to connect to your wireless network. Alternatively, download the Canon PRINT Inkjet/SELPHY App on your smartphone or tablet for guided setup. The printer supports Wi-Fi connectivity for seamless integration with your devices.

EASY WIRELESS PRINTING

Print on-the-go with Canon Print App,
Apple® AirPrint®, and Mopria™ Print Service.

OPERATING INSTRUCTIONS

Printing Documents and Photos

The printer supports printing documents and borderless photos up to 8.5" x 11". Print speeds are approximately 8.8 ipm for black and white, and 4.4 ipm for color. Utilize the automatic two-sided printing feature for letter-size documents to save paper.

Copying

Place documents on the flatbed scanner or use the 20-sheet auto document feeder (ADF) for multi-page copying. Select the copy function from the printer's control panel and adjust settings as needed.

Scanning

Scan documents and images using the flatbed scanner or the ADF. Scanned files can be saved to your computer or mobile device via the Canon PRINT Inkjet/SELPHY App.

Faxing

The built-in fax functionality allows you to send and receive faxes. Connect an RJ-11 telephone/modem cable to the printer and your phone line. Follow the instructions on the LCD display for fax operations.

Mobile Printing

Print directly from your mobile devices using the Canon PRINT Inkjet/SELPHY App, Apple AirPrint®, or Mopria™ Print Service. This allows for convenient printing from anywhere within your wireless network.

COMPACT & STYLISH DESIGN

Built in AUTO DUPLEX PRINTING
for convenience & paper savings

MAINTENANCE

Ink Cartridge Replacement

When ink levels are low, the printer will display a warning. Replace cartridges (PG-275 Black, CL-276 Color) as needed.

Ensure you use genuine Canon ink cartridges for optimal performance and print quality.

Cleaning

Regularly clean the exterior of the printer with a soft, damp cloth. For print quality issues, perform print head cleaning or deep cleaning from the printer's maintenance menu or through the printer driver settings on your computer.

TROUBLESHOOTING

Common Issues and Solutions

- Printer Not Responding:** Check power connections, ensure the printer is turned on, and verify wireless network connectivity. Restart both the printer and your computer/mobile device.
- Poor Print Quality:** Check ink levels. Perform print head cleaning or alignment from the printer's maintenance settings. Ensure you are using appropriate paper types for your print job.
- Paper Jams:** Carefully remove any jammed paper following the instructions in the printer's display or the full user manual. Ensure paper is loaded correctly and not overfilled.
- Wireless Connection Issues:** Verify your Wi-Fi password. Ensure the printer is within range of your wireless router. Restart your router and printer.

For more detailed troubleshooting steps, refer to the official Canon support website or the comprehensive user guide available online.

SPECIFICATIONS

Feature	Specification
Product Dimensions	11.7"D x 17.2"W x 7.5"H
Connectivity Technology	Wi-Fi, USB
Printing Technology	Inkjet
Functions	Print, Copy, Scan, Fax
Print Speed (Black)	8.8 ipm
Print Speed (Color)	4.4 ipm
Max Print Resolution	4800 x 1200 Dots Per Inch
Paper Capacity	100 sheets
Auto Document Feeder (ADF)	20 sheets
Duplex Printing	Automatic
Display Type	LCD (2-line)
Power Consumption	7 Watts (Operating)
Item Weight	12.7 pounds
