6. CARE AND MAINTENANCE

To ensure the longevity and appearance of your Hot Wheels Premium vehicles:

- **Cleaning:** Wipe vehicles gently with a soft, dry cloth to remove dust. Avoid using harsh chemicals or abrasive materials, which can damage the paint and decals.
- **Storage:** Store the vehicles in their original container or a dedicated display case to protect them from dust, direct sunlight, and physical damage.
- **Handling:** Handle vehicles by their body rather than delicate parts like mirrors or spoilers to prevent breakage.

7. TROUBLESHOOTING

While Hot Wheels Premium vehicles are built for durability, minor issues may arise:

- **Damaged Paint/Decals:** Minor scuffs or scratches can occur with play. These are generally cosmetic and do not affect the vehicle's function. For collectors, careful handling and display are recommended to preserve condition.
- **Loose Wheels:** If a wheel becomes loose, gently try to re-seat it. If it detaches or the vehicle does not roll smoothly, it may indicate damage.

For significant damage or manufacturing defects, please refer to the warranty information or contact customer support.
