Hot Wheels Batman Batmobile 5-Car Bundle Instruction Manual

Model: GRM17

1. INTRODUCTION

This manual provides essential information for the Hot Wheels Batman Batmobile 5-Car Bundle. This premium set features five fan-favorite Batmobile castings, each in 1:64 scale, designed for collectors and fans of the Batman franchise. The vehicles are detailed replicas from various Batman films, comics, and TV shows.

2. SETUP

The Hot Wheels Batman Batmobile 5-Car Bundle comes in special collector packaging. To set up your collection:

- 1. Unboxing:** Carefully remove the outer packaging. The inner packaging is designed for display and can be kept intact if

desired.

2. **Display:** The vehicles can be displayed within their collector packaging or removed for individual presentation. Ensure a stable, flat surface for display to prevent accidental falls.

3. OPERATING THE VEHICLES

These Hot Wheels vehicles are 1:64 scale die-cast models intended for both play and collection. They do not require batteries or complex assembly.

- **Play:** The vehicles feature rolling wheels, allowing them to be pushed along flat surfaces. They are compatible with most Hot Wheels tracks and playsets (sold separately).
- **Collection:** For collectors, the vehicles are designed with authentic details. Handle with care to preserve their condition.

Individual Batmobile Castings:

Image 3.2: Classic TV Series Batmobile.

Image 3.3: Justice League Batmobile.

Image 3.4: The Tumbler Batmobile from The Dark Knight Rises.

Image 3.5: 1989 Batmobile.

4. MAINTENANCE

To ensure the longevity and appearance of your Hot Wheels Batmobile collection:

- **Cleaning:** Wipe clean with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials, as these may damage the paint or finish.
- **Storage:** Store vehicles in a cool, dry place away from direct sunlight to prevent fading or material degradation.

5. TROUBLESHOOTING

Hot Wheels vehicles are durable, but minor issues may occur:

- **Stuck Wheels:** If a wheel does not roll freely, check for any debris or foreign objects lodged in the axle. Gently remove any obstructions.
- **Damaged Parts:** In case of significant damage (e.g., broken parts, severe paint chips), discontinue use, especially if sharp edges are exposed. These items are not designed for repair by the user.
