## Mattel HDL33

# Matchbox Action Drivers Construction Playset

Model: HDL33 | Brand: Mattel

## 1. INTRODUCTION AND OVERVIEW

The Matchbox Action Drivers Construction Playset brings the excitement of a construction site to life. This interactive playset allows children to engage with vehicles and dynamic features, fostering imaginative play. The set includes a moving crane, a bulldozer, and various interactive elements designed to simulate real-world construction activities. It is also designed to connect with other Matchbox and Hot Wheels sets, expanding play possibilities.

## 2. WHAT'S IN THE Box

---

Your Matchbox Action Drivers Construction Playset package contains the following components:

- Construction Playset Base with integrated road sections
- Large Movable Crane assembly
- 1 Matchbox Toy Bulldozer
- Small figures (construction workers)
- Boulder accessory
- Bridge pieces
- Construction signs and cones
- Sticker sheet for detailing

### 3. SETUP AND ASSEMBLY

Assembly of the Matchbox Action Drivers Construction Playset is straightforward and requires minimal effort. Follow these steps to set up your playset:

- 1. Unpack Components:** Carefully remove all pieces from the packaging.
- 2. Assemble Base:** Connect the road sections and playset base pieces by aligning the tabs and snapping them securely into place.
- 3. Attach Crane:** Secure the large movable crane to its designated spot on the playset base. Ensure it is firmly attached to allow for proper rotation and lifting.
- 4. Place Interactive Elements:** Position the bridge pieces, boulder, construction signs, and figures as shown in the illustrations or to your preference.
- 5. Apply Stickers:** Use the provided sticker sheet to add details to the playset, such as road markings, signs, and building accents.

## 4. OPERATING INSTRUCTIONS

Engage with the various features of your Construction Playset for dynamic play:

### 4.1. Bulldozer and Gate Operation

- Place the included Matchbox bulldozer on the playset.
- Drive the bulldozer to the area with the boulder.
- Use the bulldozer to push the boulder, which will automatically lift a gate, allowing vehicles to pass.

### 4.2. Crane Functionality

- Position the bulldozer or other Matchbox vehicles onto the crane's platform.
- Rotate the crane arm to move the vehicle across the construction site.
- Lower the crane to place the bridge pieces into position, securing the road for traffic.

#### 4.3. Expanding Your City

The Matchbox Action Drivers Construction Playset is designed to connect with other Matchbox and Hot Wheels sets (sold separately). Look for connection points on the edges of the playset base to expand your construction world into a larger city or adventure landscape.

### 5. MAINTENANCE

---

To ensure the longevity and optimal performance of your playset:

- **Cleaning:** Wipe down the playset and vehicles with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the playset in a cool, dry place away from direct sunlight to prevent material degradation.
- **Inspection:** Periodically check for any loose or damaged parts. Discontinue use if any significant damage is found.

## 6. TROUBLESHOOTING

If you encounter any issues with your playset, consider the following:

- **Parts Not Connecting:** Ensure all tabs and slots are correctly aligned and apply gentle, even pressure to snap pieces together. Refer to the assembly instructions.
- **Interactive Features Not Working:** Check if any parts are obstructed or if the mechanism is jammed. Ensure all components are correctly assembled.
- **Lost Parts:** Contact Mattel customer support for assistance with replacement parts, if available.

## 7. SPECIFICATIONS

Feature	Detail
Product Dimensions	7 x 13.75 x 8.5 inches
Item Weight	1.08 pounds
Item Model Number	HDL33
Manufacturer Recommended Age	3 years and up
Manufacturer	Mattel
Release Date	February 19, 2022
