Hot Wheels HDP02

Hot Wheels City Super Twist Tire Shop Playset

Model: HDP02 - Instruction Manual

1. PRODUCT OVERVIEW

The Hot Wheels City Super Twist Tire Shop Playset offers an interactive play experience where vehicles navigate through a multi-level tire structure. Designed for engaging storytelling and dynamic play, this playset integrates with other Hot Wheels City sets to expand your custom track layouts.

Key features include a car lift, a spinning translucent tire structure, and a ramp for exiting vehicles. The playset is designed to accommodate multiple Hot Wheels vehicles simultaneously, providing continuous action.

2. SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small Parts. Not for children under 3 years.

- Always supervise children during play.
- Ensure all parts are securely assembled before use.

- Keep small parts away from young children to prevent choking.

3. WHAT'S IN THE BOX

Your Hot Wheels City Super Twist Tire Shop Playset package includes:

- 1 Hot Wheels City Super Twist Tire Shop playset (unassembled components)
- 1 Hot Wheels vehicle

Image 3.1: The Hot Wheels City Super Twist Tire Shop Playset as packaged, showing unassembled components.

4. SETUP AND ASSEMBLY

The Hot Wheels City Super Twist Tire Shop Playset requires assembly. Follow the included visual instructions carefully for proper setup. All components are designed for snap-together assembly, making the process straightforward.

1. Unpack all components from the box and verify all parts are present.
2. Assemble the base of the playset, ensuring all connection points are secure.
3. Attach the vertical tire structure to the base, aligning the designated slots.
4. Connect the car lift and exit ramp components to the main structure.
5. Ensure all moving parts, such as the spinning key mechanism, are free from obstruction.

This playset is designed to connect with other Hot Wheels City sets, allowing for expanded play environments. Connection points are located on the base of the playset.

5. OPERATING INSTRUCTIONS

The Super Twist Tire Shop offers dynamic vehicle movement through its unique design.

1. **Placing a Vehicle:** Drive or place a Hot Wheels vehicle onto the car lift at the base of the playset.
2. **Raising the Vehicle:** Manually raise the car lift to position the vehicle at the entrance of the translucent tire structure.
3. **Twisting Action:** Once the vehicle is inside the tire structure, locate the central key mechanism. Spin this key to make the vehicle travel upwards through the series of translucent tires. Up to four vehicles can be in the tire structure simultaneously.
4. **Exiting the Playset:** As the vehicle reaches the top of the tire structure, it will automatically exit onto the integrated ramp, racing off to continue the adventure on connected tracks or play surfaces.

6. MAINTENANCE

To ensure the longevity and optimal performance of your Hot Wheels City Super Twist Tire Shop Playset, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the playset surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the plastic.
- **Storage:** Store the playset in a clean, dry environment away from direct sunlight and extreme temperatures.
- **Inspection:** Periodically check all connections and moving parts to ensure they are secure and functioning correctly.

7. TROUBLESHOOTING

If you encounter any issues with your playset, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Car gets stuck in the tire structure.	Vehicle size or type is incompatible; debris inside.	Ensure you are using standard Hot Wheels vehicles. Some larger or wider vehicles may not fit. Check for and remove any obstructions or debris. The playset has several access doors to retrieve stuck cars.
Spinning key mechanism is stiff or not moving cars.	Mechanism obstructed or misaligned.	Check for any foreign objects or debris around the spinning key. Ensure the tire structure is correctly assembled and aligned.
Playset components do not connect securely.	Improper alignment during assembly.	Disassemble the affected parts and re-attempt assembly, ensuring proper alignment and firm connections. Refer to the assembly instructions.

8. SPECIFICATIONS

- **Model Number:** HDP02
- **Product Dimensions:** 6.87 x 13.75 x 15.75 inches (17.45 x 34.93 x 40.01 cm)
- **Item Weight:** 2.02 pounds (0.92 kg)
- **Manufacturer Recommended Age:** 4 years and up
- **Release Date:** December 18, 2021
- **Manufacturer:** Mattel
