Discovery Kids 1012385

Discovery Kids DIY Light-Up String Art Set

Model: 1012385

IMPORTANT SAFETY INFORMATION

Please read all instructions before using this product. Failure to follow these instructions may result in injury or damage to the product.

- **Small Parts Warning:** This kit contains small parts (pins) which may pose a choking hazard for young children. Not suitable for children under 3 years. Adult supervision is recommended for children aged 8 and up.
- **Battery Safety:** The LED light string requires batteries (not included). Ensure batteries are inserted with correct polarity (+/-). Do not mix old and new batteries, or different types of batteries. Remove batteries if the product is not used for an extended period. Dispose of used batteries responsibly.
- **Sharp Objects:** Pins are sharp. Handle with care to avoid injury.
- **Paint Safety:** Use paint in a well-ventilated area. Avoid contact with eyes and mouth. Wash hands thoroughly after use.

WHAT'S INCLUDED

Verify that all components listed below are present in your kit before beginning assembly.

- Art Board
- Colored String
- Paint Stencils
- LED Lights
- Pins (pearl-headed)
- White Paint
- Sponge Brush
- LOVE Design Template

DIY LIGHT-UP STRING ART

**INCLUDES
LED LIGHTS,
STENCILS,
PAINT &
MORE!**

**CREATE
STUNNING
STRING ART
FOR YOUR
WALL!**

Image: All components included in the DIY Light-Up String Art Kit, laid out on a gray surface. This includes the art board, various colored strings, a battery pack with LED lights, a bag of pearl-headed pins, a tube of white paint, and a sponge brush.

Image: A close-up view of the craft materials, showing spools of pink, white, purple, and blue colored string, a tube of white paint, a sponge brush, and a pile of pearl-headed pins.

SETUP INSTRUCTIONS

Follow these steps to create your light-up string art.

1. Prepare the Art Board:

Unpack the art board. If desired, use the included white paint and sponge brush to paint the surface of the board. Allow sufficient time for the paint to dry completely before proceeding.

2. Position the Stencil:

Place the "LOVE" design template or other desired stencil onto the dried art board. Secure it in place with tape if necessary to prevent shifting during pin placement.

3. Insert Pins:

Carefully insert the pearl-headed pins along the designated points or outline of your chosen design on the stencil. Ensure the pins are firmly pushed into the art board to provide a stable anchor for the string. Remove the stencil once all pins are in place.

Image: A person's hands are shown carefully inserting small pins into an art board, following a pre-printed stencil design. The board is on a table with other craft supplies.

4. String the Design:

Select your desired colored strings. Tie one end of a string to a pin. Begin wrapping the string around the pins to create your chosen pattern or fill in the design. Experiment with different colors and wrapping techniques to achieve unique effects. Secure the end of the string by tying it to another pin when finished with that color.

Image: A young person is focused on creating string art on a board, while a completed light-up "LOVE" string art sign stands upright in the background, showcasing the illuminated effect.

5. Install Batteries for LED Lights:

Locate the battery compartment on the LED light string. Open the compartment and insert the required number of AA batteries (not included), ensuring correct polarity. Close the compartment securely.

6. Integrate LED Lights:

Carefully weave the LED light string through your completed string art design. Position the lights to highlight the patterns and colors. The battery pack can be discreetly placed behind the art board or secured to the back.

Image: A close-up of a finished string art piece, illuminated by integrated LED lights, showcasing the intricate string patterns and glowing effect.

OPERATING INSTRUCTIONS

To operate the LED lights:

- Locate the ON/OFF switch on the battery pack of the LED light string.
- Slide the switch to the "ON" position to illuminate your string art.
- Slide the switch to the "OFF" position to turn off the lights.

Your finished string art can be displayed on a flat surface or mounted on a wall using appropriate hardware (not included).

MAINTENANCE

- **Cleaning:** Gently dust the string art with a soft, dry cloth. Avoid using liquid cleaners directly on the art board or strings.
- **Storage:** Store the string art in a dry place away from direct sunlight and extreme temperatures to prevent fading or damage to materials.
- **Battery Replacement:** If the LED lights dim or stop working, replace the batteries in the LED light string's battery pack. Refer to the "Install Batteries for LED Lights" step in the Setup section.

TROUBLESHOOTING

Problem	Possible Cause	Solution
LED lights do not turn on.	Batteries are dead or incorrectly inserted. ON/OFF switch is in the "OFF" position.	Check battery polarity and replace with fresh batteries if needed. Ensure the switch is set to "ON".
String becomes loose or unravels.	String was not tied securely. Pins are not firmly inserted.	Re-tie the string securely to a pin. Gently push pins further into the board to ensure stability.
Paint does not dry evenly.	Too much paint applied in one area. Insufficient drying time.	Apply paint in thin, even coats. Allow ample drying time between coats and before applying stencils/pins.

SPECIFICATIONS

Brand:	Discovery Kids
Model Number:	1012385
Material:	Wood (Art Board)
Age Range:	Kid (Ages 8 and Up recommended)
Item Weight:	0.62 Kilograms
