2. **Assemble Chairs:** Attach the chair back to the seat frame, then connect the armrests and rocking base. Insert all screws loosely at this stage.
3. **Assemble Coffee Table:** Connect the table legs to the top frame, then secure the tempered glass top. Insert all screws loosely.

## 6. MAINTENANCE

Proper care will extend the life and appearance of your Aiho furniture set.

- **Cushion Care:** The cushion covers feature a hidden zipper for easy removal and washing. Hand wash or machine wash on a gentle cycle with cold water. Air dry.
- **Table Care:** The tempered glass tabletop can be easily wiped clean with a damp cloth. For stubborn spills, use a mild glass cleaner.
- **Frame and Wicker Care:** The powder-coated steel frame is rust-resistant. The PE wicker is weather-resistant and will not fade. Wipe down the frame and wicker with a damp cloth as needed. Avoid harsh chemicals.

- **Storage:** During prolonged periods of non-use or inclement weather, it is recommended to store cushions indoors or cover the entire set to protect it from the elements.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your Aiho Bistro Rocking Chair Set, please refer to the following common solutions:

- **Difficulty Assembling:** Refer to Section 4 for detailed assembly steps. Ensure you are using the correct hardware for each step. Do not force parts together.
- **Cushion Discoloration:** While cushions are washable, prolonged exposure to direct sunlight or harsh weather can affect their color over time. Store cushions indoors when not in use.
