AMAFACE ZY-B29

AMAFACE B29 Bluetooth 5.1 Wireless Earbuds Instruction Manual

Model: ZY-B29

INTRODUCTION

Thank you for choosing the AMAFACE B29 Bluetooth 5.1 Wireless Earbuds. These earbuds are designed to provide a high-quality audio experience with convenient features such as touch control, IPX5 waterproofing, and a unique charging case. This manual will guide you through the setup, operation, and maintenance of your new earbuds.

Premium sound system

5G Smart chip and Newest Audio Technology
Delivers True Audiophile Experience to you

The AMAFACE B29 wireless earbuds are shown with their unique devil-themed charging case. The earbuds feature red accents and are designed for comfortable in-ear use.

WHAT'S IN THE BOX

Please check the package contents to ensure all items are present:

- AMAFACE B29 Wireless Earbuds (Left and Right)
- Charging Case
- USB Charging Cable (not explicitly listed but standard)
- Multiple sizes of ear tips (S, M, L)
- User Manual

SETUP

1. Initial Charging

Before first use, ensure the earbuds and charging case are fully charged. Remove the anti-static blue sticker from the surface of the earbuds. Place the earbuds into the charging case and connect the case to a power source using the provided USB cable. Charge for 1-3 hours.

2. Pairing with Your Device

1. Ensure your device's Bluetooth is turned on.
2. Open the charging case. The earbuds will automatically power on and enter pairing mode.
3. On your device, search for Bluetooth devices and select "B29" from the list.
4. Once connected, you will hear a confirmation prompt, and the earbuds will be ready for use.

Simple operation

After the initial pairing, the next use is just to remove it from the charging case.

It is gentle and comfortable for beginners.

Just take it out every time

The AMAFACE B29 charging case is shown next to a smartphone with its Bluetooth settings screen, indicating a successful connection, demonstrating the simple pairing process.

OPERATING INSTRUCTIONS

Touch Controls

The AMAFACE B29 earbuds feature intuitive touch controls on each earbud. Refer to the diagram below for specific functions:

Various function operations

Light buttons with your fingertips
Easy to control with just a push

Receive / hang up the call
Receive / hang up the call

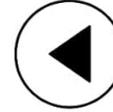

Reject the call
2S tap the touch button on the L side / R side

Voice assistant
Tap the touch button on the L side / R side 3 times

Song feed
2S tap the touch button on the R side

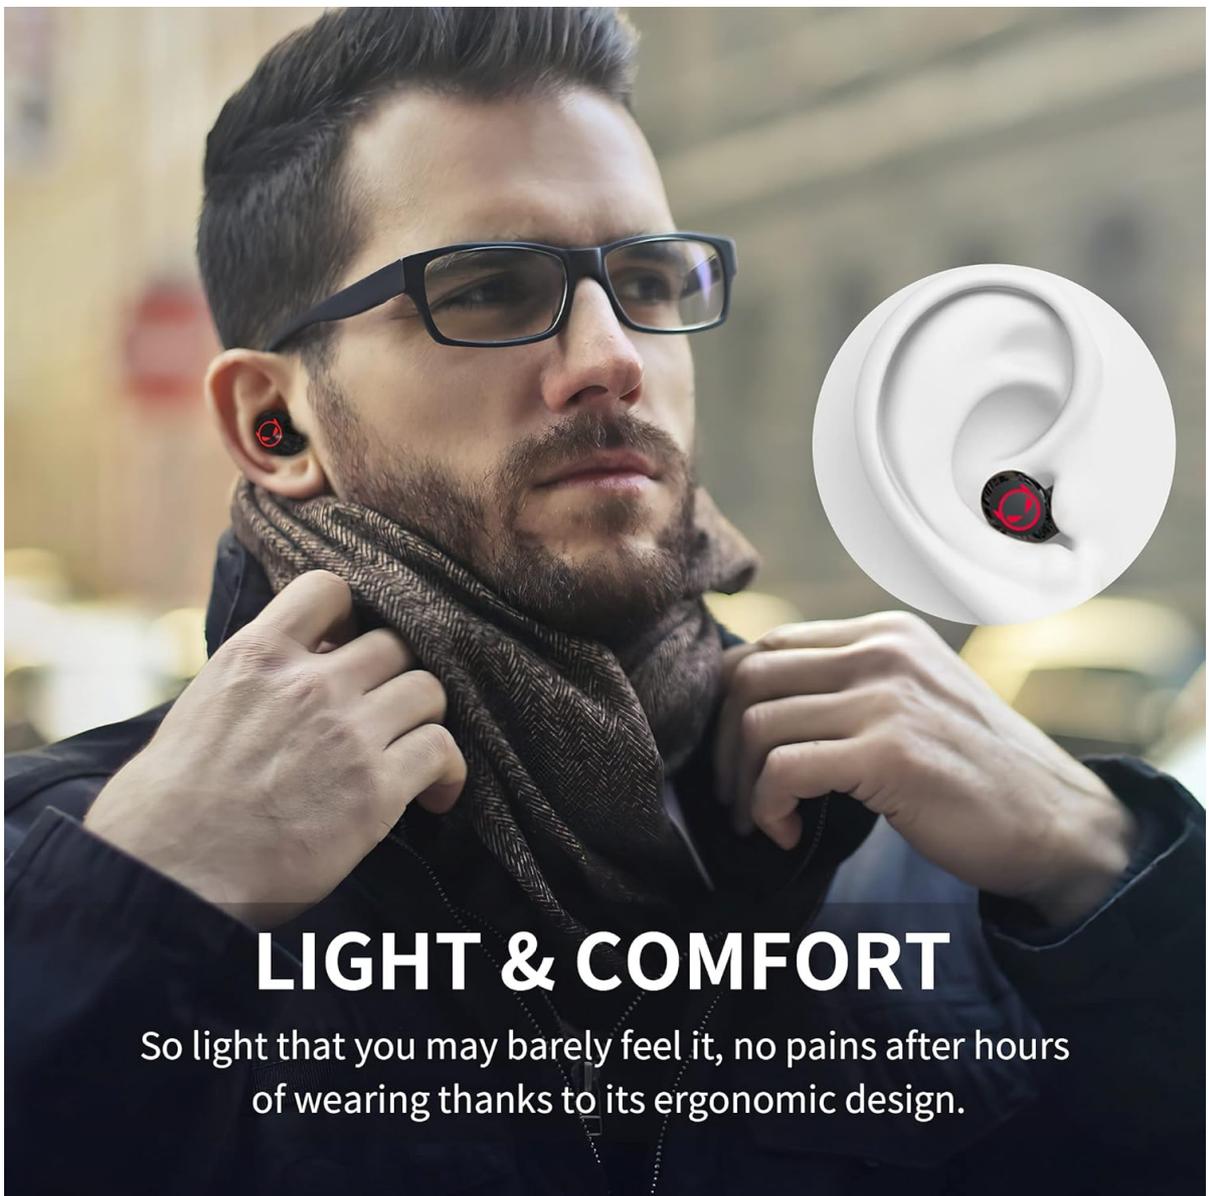

Song back
2S tap the touch button on the R side

A diagram illustrating the touch control functions of the AMAFACE B29 earbuds, including single tap for calls, double tap for music control, and triple tap for voice assistant.

- **Receive / Hang up Call:** Tap the touch button on the L (Left) or R (Right) earbud once.
- **Reject Call:** Tap the touch button on the L or R earbud twice.
- **Voice Assistant:** Tap the touch button on the L or R earbud three times.
- **Next Song:** Tap the touch button on the R earbud twice.
- **Previous Song:** Tap the touch button on the L earbud twice.

Wearing the Earbuds

The earbuds are designed for an ergonomic fit. Choose the ear tips (S, M, L) that best fit your ears for optimal comfort and sound isolation. Gently insert the earbuds into your ear canal and rotate slightly to secure them.

LIGHT & COMFORT

So light that you may barely feel it, no pains after hours of wearing thanks to its ergonomic design.

KEY FEATURES

Premium Sound System

Equipped with advanced moving-coil speakers and a chipset, these earbuds deliver high-fidelity sound quality, deep bass, and 3D surround sound for an immersive listening experience. The built-in dual microphones ensure clear call quality.

An exploded view of an AMAFACE B29 earbud illustrating its internal sound system, including the speaker drivers, designed for premium audio quality.

IPX5 Waterproof Design

The earbuds feature an IPX5 waterproof rating, making them resistant to sweat and light rain. This makes them suitable for workouts, sports, and outdoor activities without concern for damage from moisture.

IPX5 waterproof design

Whether it's raining, outdoor sports, or gym training, it's waterproof and sweat resistant so you don't have to worry about your headphones corroding from rain or sweat.

The AMAFACE B29 earbuds are depicted with water splashing around them, highlighting their IPX5 waterproof and sweat-resistant design suitable for sports and outdoor activities.

Extended Playback

Enjoy up to 32 hours of continuous playback with the included charging case, ensuring your music or calls last throughout your day.

Continuous playback 32 hours

A smartphone displaying a music player interface is shown alongside the AMAFACE B29 earbuds and their charging case, indicating the product's long battery life for continuous playback.

MAINTENANCE

To ensure the longevity and optimal performance of your AMAFACE B29 earbuds, follow these maintenance guidelines:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use abrasive cleaners or solvents.
- **Ear Tips:** Remove and clean the ear tips periodically with water and mild soap, then dry thoroughly before reattaching.
- **Charging Ports:** Keep the charging contacts on the earbuds and inside the case clean and free of debris.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- **Avoid Extreme Conditions:** Do not expose the earbuds to extreme temperatures, humidity, or direct sunlight for prolonged periods.

TROUBLESHOOTING

If you encounter any issues with your AMAFACE B29 earbuds, please refer to the following common solutions:

Problem	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Place them back in the case, close it, then open it again to re-enter pairing mode. Check your device's Bluetooth settings and try reconnecting.
One earbud not working/charging	Ensure the anti-static sticker has been removed. Check if the charging contacts on the earbud and in the case are clean. Try resetting the earbuds (refer to manufacturer's website for specific reset instructions if needed).
Low volume or poor sound quality	Adjust volume on both your device and the earbuds. Ensure ear tips are the correct size for a snug fit. Clean any debris from the earbud speakers.
Earbuds not charging	Ensure the charging cable is securely connected to both the case and the power source. Verify the power source is active. Clean the charging port on the case.

If these solutions do not resolve the issue, please contact AMAFACE customer service for further assistance.
