# Smart Paws 25 Holes Interactive Pet Puzzle Toy User Manual

**Brand:** Smart Paws

**Model:** 25 Holes Interactive Pet Puzzle Toy

## 1. PRODUCT OVERVIEW

---

The Smart Paws 25 Holes Interactive Pet Puzzle Toy is designed to provide mental stimulation and enrichment for your pets. It functions as a treat dispenser and slow feeder, encouraging pets to use their problem-solving skills to access rewards. This toy is suitable for a variety of pets, including dogs, cats, and other small animals.

## 2. SETUP

1. **Unpack:** Carefully remove the puzzle toy from its packaging.
2. **Initial Cleaning:** Before first use, hand wash the toy with mild soap and water. Rinse thoroughly and allow it to air dry completely.
3. **Prepare Treats:** Gather your pet's favorite dry kibble or small, non-crumbly treats.
4. **Load Treats:** Slide open the covers and place a small amount of treats into each of the 25 compartments. You can vary the number of treats per compartment to adjust difficulty.

### 3. OPERATING INSTRUCTIONS

Introduce the Smart Paws puzzle toy to your pet in a calm environment. Initially, leave some covers partially open or with treats visible to encourage interaction.

- **Demonstrate:** Show your pet how to slide the covers with your hand or paw. Guide them to the hidden treats.
- **Encourage:** Praise your pet when they successfully move a cover and retrieve a treat.
- **Supervise:** Always supervise your pet during play, especially during initial uses, to ensure they understand the mechanism and do not chew on the toy.
- **Increase Difficulty:** Once your pet masters the basic sliding motion, you can close all covers completely, requiring them to actively seek and slide to find treats.
