Safety Information

- This product is suitable for individuals 14 years old and above.
- Small parts are included. Keep out of reach of small children to prevent choking hazards.
- Exercise caution when using sharp tools such as scissors or craft knives during assembly.
- Glue and batteries are not included and must be prepared separately. Use appropriate adhesives and follow their safety guidelines.

Package Contents

Your CUTEROOM QT033 kit includes the following components:

- 1 x DIY Wooden House Kit (unassembled parts)
- Dust Cover
- LED Light Set
- Various miniature furniture pieces and accessories (unassembled)
- English Instruction Manual with pictures

Note: Parts are packaged in multiple bags. Components for building each item may not be in the same bag. Refer to the instructions for numbered pieces.

Assembly Instructions

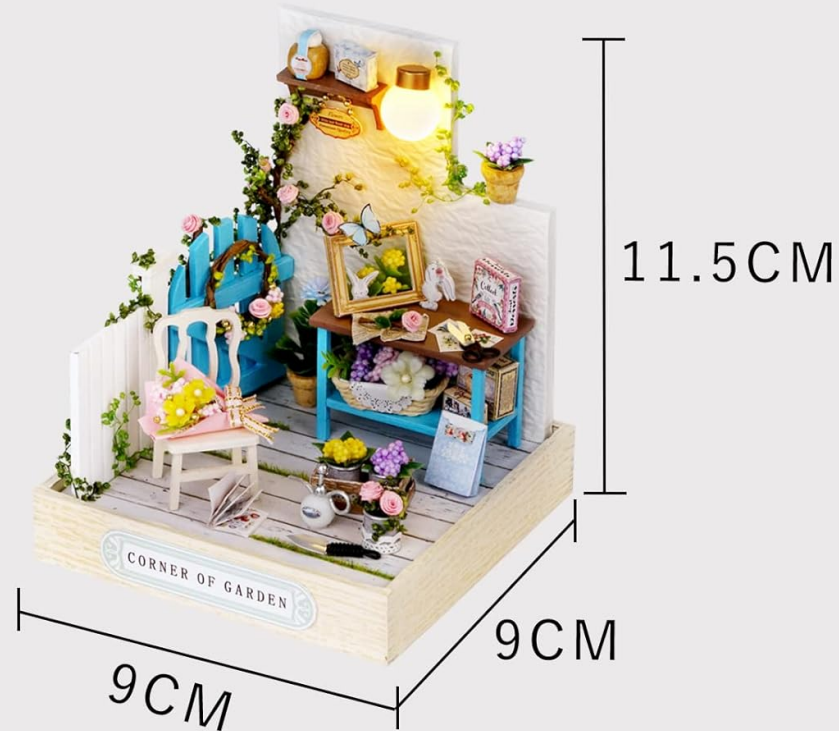

Assembly of the CUTEROOM QT033 Miniature House Kit requires patience and attention to detail. The estimated assembly time is 0.5 to 1 day, depending on experience.

1. **Preparation:** Unpack all components and organize them. Ensure you have all necessary tools (scissors, tweezers, ruler, craft knife, glue, batteries) which are not included in the kit.
2. **Follow the Manual:** Refer to the included colorful printed user manual. Each step is clearly illustrated with pictures to guide you through the assembly process.
3. **Component Assembly:** Assemble individual furniture pieces and accessories as directed. Pay close attention to the numbering of parts in the instructions.
4. **Structure Assembly:** Construct the main house structure, integrating the assembled components as you progress.
5. **Wiring LED Lights:** Install the LED light set according to the manual's diagrams. Ensure connections are secure. Do not connect to the battery until all wiring is complete and verified.
6. **Final Touches:** Add decorative elements and the dust cover once the main structure and details are complete.

Maintenance

To ensure the longevity and appearance of your miniature house kit:

- **Dusting:** Regularly dust the miniature house using a soft brush or compressed air to remove accumulated dust. The included dust cover helps protect the model.
- **Cleaning:** For stubborn marks, gently wipe surfaces with a slightly damp cloth. Avoid excessive moisture.
- **Storage:** Store the assembled kit in a stable location away from direct sunlight, extreme temperatures, and high humidity to prevent material degradation.
- **Battery Replacement:** Replace batteries for the LED lights as needed to maintain illumination.

Troubleshooting

Problem	Possible Cause	Solution
