## PowerLocus P2

# PowerLocus P2 Kids Over-Ear Bluetooth Headphones

Instruction Manual

## INTRODUCTION

---

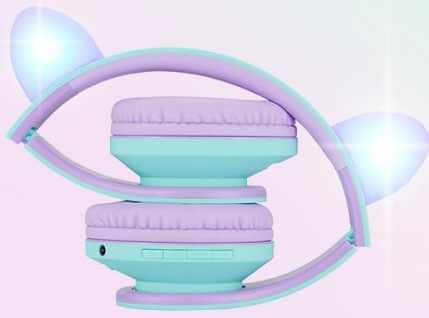

Thank you for choosing PowerLocus P2 Kids Over-Ear Bluetooth Headphones. These headphones are designed with children's safety and comfort in mind, offering a safe listening experience with an 85dB volume limit. They feature versatile connectivity options including Bluetooth wireless, a wired audio cable, and Micro SD card playback, making them suitable for various activities such as online classes, travel, and entertainment. The foldable design and included carry case ensure portability and protection.

## PRODUCT FEATURES

- **Safe Volume Limit:** Engineered with an 85dB volume limit to protect children's hearing.
- **Multiple Connectivity Modes:** Supports Bluetooth 5.0 for wireless connection up to 36ft, 3.5mm audio cable for wired use, and Micro SD card playback (up to 32GB).
- **Built-in Microphone:** Facilitates clear communication for online classes and calls.
- **Comfortable Design:** Features soft, foam-filled earmuffs and a padded headband for extended wear without discomfort.
- **Foldable & Portable:** Designed to fold compactly for easy storage and transport, accompanied by a protective carry case.
- **Interactive LED Lights:** Equipped with switchable LED lights on the cat ears for added fun.

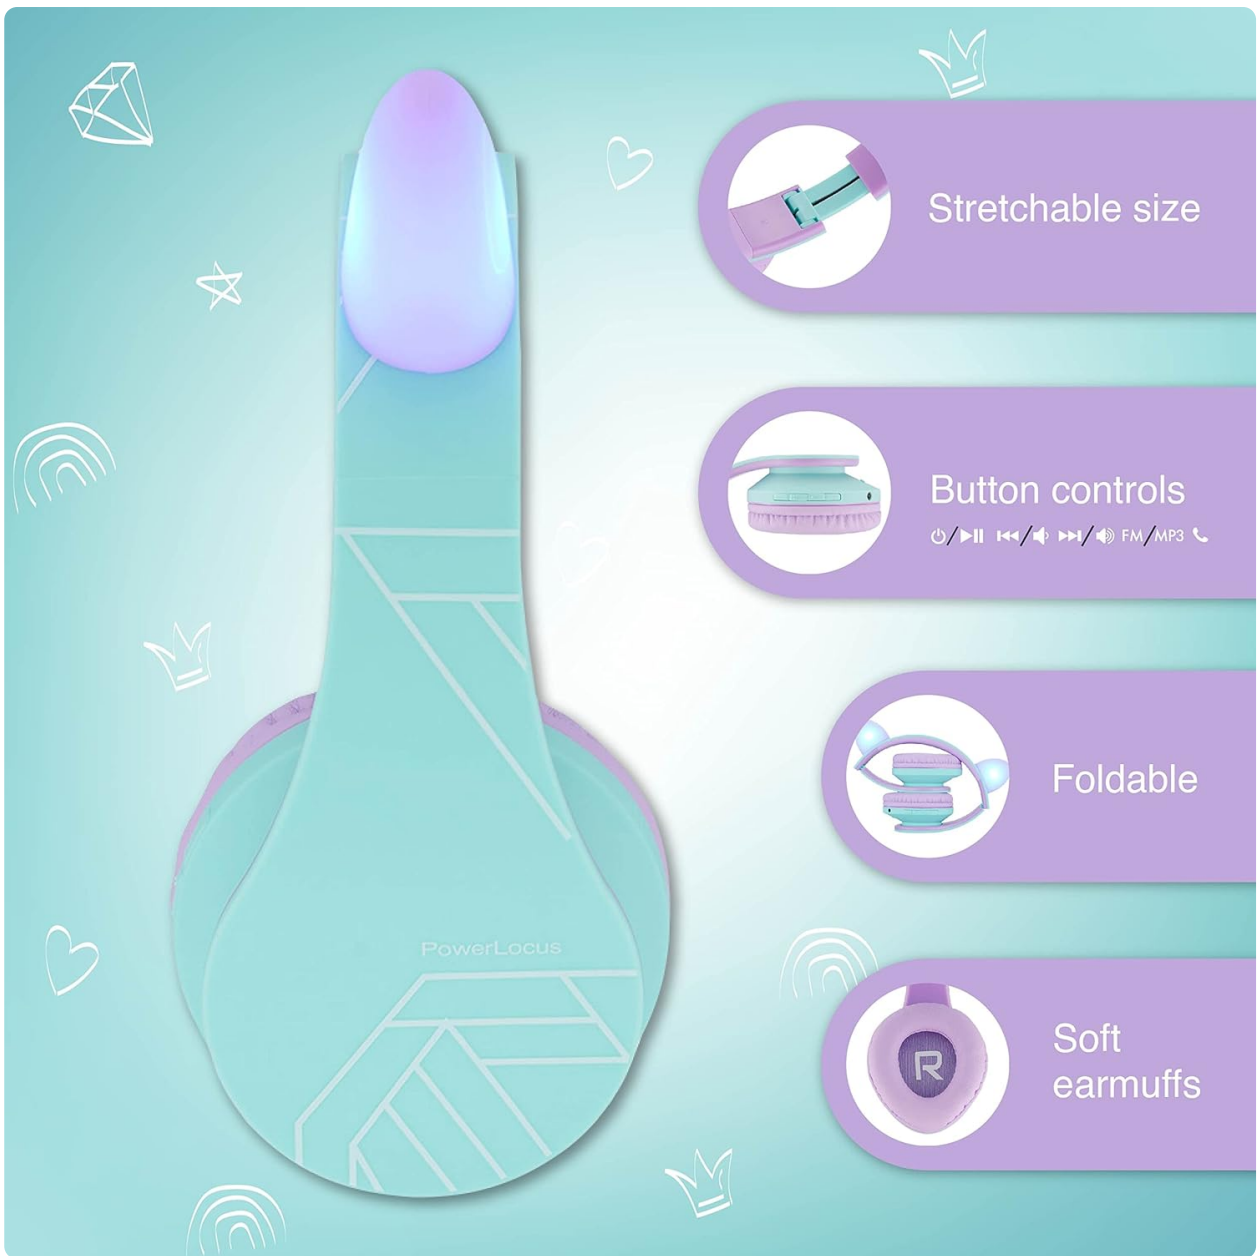

Image: Key features of the PowerLocus P2 Kids Headphones, including adjustable sizing, accessible button controls, a foldable structure for portability, and soft, comfortable earmuffs.

Image: The headphones feature an HD microphone for clear audio input and support Micro SD card mode for direct music playback, with a maximum supported card size of 32GB.

## SETUP

---

### Bluetooth Pairing

1. Ensure the headphones are charged.
2. Slide the power button to turn on the headphones. The LED indicator will flash blue/red, indicating pairing mode.
3. On your device (phone, tablet, PC), go to Bluetooth settings and search for "PowerLocus P2 Kids".
4. Select the headphones to connect. Once connected, the LED will turn to a solid blue light.

Video: This video demonstrates the step-by-step process of connecting the PowerLocus P2 Kids Headphones via Bluetooth to a mobile device, showing the LED indicator changes during pairing and successful connection.

## Wired Connection

To use the headphones in wired mode, simply plug the provided 3.5mm audio cable into the auxiliary port on the headphones and the other end into your audio device. This mode is ideal for devices without Bluetooth or when battery power is low.

## Micro SD Card Mode

1. Insert a Micro SD card (up to 32GB, containing MP3 files) into the dedicated slot on the headphones until it clicks into place.
2. Turn on the headphones.
3. Press the 'M' (Mode) button to switch to Micro SD mode. The headphones will automatically begin playing music from the card.

Video: This video illustrates how to insert a Micro SD card into the PowerLocus P2 Kids Headphones and activate the Micro SD playback mode for direct music listening.

## OPERATING INSTRUCTIONS

---

### Controls

The right earcup features intuitive controls for easy operation:

- **Power Button:** Slide to turn the headphones ON/OFF.
- **Play/Pause:** Press the central button to play or pause audio.
- **Volume Up/Next Track:** Short press for volume up, long press for next track.
- **Volume Down/Previous Track:** Short press for volume down, long press for previous track.
- **Mode Button (M):** Press to switch between Bluetooth, Micro SD, and FM Radio modes.
- **LED Light Activation:** Long press the Mode button to turn the LED lights on or off.

## CHARGING

---

To charge your PowerLocus P2 Kids Headphones:

1. Connect the provided USB charging cable to the Micro USB port on the headphones.
2. Plug the other end of the USB cable into a laptop, computer, or a wall outlet using an adapter not exceeding 5V.
3. **Important:** Do NOT charge the headphones with fast chargers, as this may damage the battery.
4. While charging, the LED indicator will be RED.

5. When fully charged, the RED LED indicator will disappear.

A full charge provides approximately 15 hours of audio playback.

Your browser does not support the video tag.

Video: This video provides instructions on how to properly charge the PowerLocus P2 Kids Over-Ear Headphones using the provided USB cable and a standard 5V adapter.

## MAINTENANCE

---

- Clean the headphones regularly with a soft, dry cloth.
- Avoid using harsh chemicals or abrasive materials.
- Store the headphones in the provided carry case when not in use to protect them from dust and damage.
- Keep away from extreme temperatures and moisture.

## TROUBLESHOOTING

---

- **No Power:** Ensure the headphones are fully charged.
- **Cannot Pair Bluetooth:** Make sure the headphones are in pairing mode (LED flashing blue/red) and within range of your device. Turn off and on Bluetooth on your device, then try pairing again.
- **No Sound:** Check volume levels on both the headphones and your connected device. Ensure the audio cable is securely connected in wired mode.
- **Micro SD Card Not Playing:** Verify the card is inserted correctly and contains MP3 audio files. Ensure the headphones are in Micro SD mode.
