### 4. OPERATING (GAMEPLAY)

The objective of the game is to be the last player remaining with money and properties, driving other players into bankruptcy.

#### 4.1. Player Turn

1. Roll both dice.
2. Move your token clockwise around the board the number of spaces indicated by the dice.
3. Perform the action corresponding to the space you land on. This may include buying a property, drawing a card, paying rent, or paying taxes.
4. If you roll doubles, take your turn as usual, then roll the dice again for an additional turn. Three consecutive doubles send you to Jail.

#### 4.2. Property Acquisition and Development

- When you land on an unowned property, you may buy it for the price printed on the board. If you decline, the property is auctioned among all players.

- Collect all properties in a color group to build Toys (houses) and then Assembly Lines (hotels) on them, increasing the rent you can charge.
- Iconic locations from the movie include Zero's Tomb, Spiral Hill, Dr. Finkelstein's Laboratory, and Jack's Tower.

### 4.3. Halloween Presents and Christmas Presents Cards

When you land on a Halloween Presents or Christmas Presents space, draw the top card from the respective deck and follow its instructions. These cards can provide bonuses, penalties, or special actions.

### 4.4. Winning the Game

The game concludes when only one player remains solvent, having bankrupted all other players.
