2. SAFETY INFORMATION

Please read and understand all instructions before beginning installation. Failure to do so may result in electric shock, fire, or other injuries. Keep this manual for future reference.

- **Electrical Safety:** Always disconnect power at the main circuit breaker before installation or maintenance. Ensure all wiring connections are secure and comply with local electrical codes.
- **Qualified Electrician:** If you are unsure about any part of the installation process, consult a qualified electrician.
- **Product Integrity:** Do not modify the fixture. Any modifications may void the warranty and create safety hazards.
- **Handling:** Handle the fixture with care. Avoid dropping or striking the crystal components.

- **Indoor Use Only:** This fixture is designed for indoor use in dry locations. Do not expose to moisture or extreme temperatures.

3. PACKAGE CONTENTS

Verify that all components are present and undamaged before proceeding with installation. If any parts are missing or damaged, contact your retailer.

- Mounting Hardware Kit (screws, wire nuts, mounting bracket)
- Instruction Manual

4. SPECIFICATIONS

Feature	Specification
Model Number	E11022-95BK
Brand	ET2
Dimensions (L x W x H)	1.5" x 1.5" x 23.75"
Item Weight	1.4 Pounds
Power Source	Corded Electric
Voltage	120 Volts
Wattage	5 Watts
Light Source Type	Integrated LED (PCB)
Light Color	Warm White
Color Temperature	3000 Kelvin
Brightness	450 Lumens
Color Rendering Index (CRI)	90
Rated Lifetime Hours	35,000 hours
Shade Material	Glass
Embellishment	Crystal
Installation Type	Semi Flush Mount
Sloped Ceiling Adaptable	Yes
Control Method	App (requires compatible smart home system)
Assembly Required	No

5. SETUP AND INSTALLATION

This fixture is designed for semi-flush mount installation and is adaptable for sloped ceilings. Professional installation is recommended.

Before You Begin:

- Ensure power is turned off at the circuit breaker.
- Gather necessary tools: screwdriver, wire strippers, electrical tape, ladder.
- Review local electrical codes.

Installation Steps:

1. **Prepare Wiring:** Carefully strip insulation from the ends of the house supply wires (black, white, ground) if necessary.
2. **Attach Mounting Bracket:** Secure the mounting bracket to the junction box in the ceiling using the provided screws. Ensure it is firmly attached.
3. **Make Electrical Connections:**
 - Connect the fixture's black wire to the house's black (hot) wire using a wire nut.
 - Connect the fixture's white wire to the house's white (neutral) wire using a wire nut.
 - Connect the fixture's ground wire to the house's ground wire (bare copper or green) using a wire nut.
 - Tuck all wires carefully into the junction box.
4. **Mount the Fixture:** Align the fixture with the mounting bracket and secure it using the provided screws. Ensure the fixture is flush against the ceiling.
5. **Restore Power:** Once the fixture is securely mounted, restore power at the circuit breaker.

6. OPERATING INSTRUCTIONS

The ET2 Diaphane E11022-95BK Mini Pendant Light is designed for simple operation.

- **Power On/Off:** Operate the light using a standard wall switch connected to the fixture's circuit.
- **Dimming:** This fixture is compatible with dimmer switches. For optimal performance, use an LED-compatible dimmer switch.
- **App Control:** The fixture supports app control, indicating compatibility with certain smart home systems or dedicated ET2 apps. Refer to your smart home system's instructions for integration.

7. MAINTENANCE

Regular cleaning will help maintain the appearance and performance of your pendant light.

- **Cleaning:** Disconnect power before cleaning. Use a soft, dry, or slightly damp cloth to wipe the fixture. Avoid abrasive cleaners, solvents, or polishes, as these can damage the finish and crystal.

- **Crystal Care:** For the crystal embellishment, use a lint-free cloth and a mild glass cleaner if necessary. Ensure no liquid enters the electrical components.
- **LED Longevity:** The integrated LED has a rated lifetime of 35,000 hours and is not user-replaceable.

Image 7.1: Detail of the clear crystal component, which requires gentle cleaning.

8. TROUBLESHOOTING

If you encounter issues with your pendant light, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Light does not turn on	No power to the fixture; loose wiring; faulty switch.	Check circuit breaker. Verify all wire connections are secure. Test the wall switch.
Light flickers	Loose wiring; incompatible dimmer switch.	Ensure all connections are tight. If using a dimmer, confirm it is LED-compatible.

Problem	Possible Cause	Solution
Light is dim or not bright enough	Dimmer setting too low; incorrect dimmer type.	Adjust dimmer to maximum setting. Ensure an LED-compatible dimmer is used.
Fixture is loose	Mounting screws not tightened.	Disconnect power and re-tighten mounting screws.

If troubleshooting steps do not resolve the issue, contact customer support.

9. WARRANTY INFORMATION

This ET2 Diaphane E11022-95BK Mini Pendant Light comes with a**Limited Warranty**. The specific terms and duration of the warranty are provided at the time of purchase or can be obtained by contacting ET2 customer service. This warranty typically covers defects in materials and workmanship under normal use and service.

Keep your proof of purchase for warranty claims. The warranty does not cover damage caused by improper installation, misuse, abuse, accidents, or unauthorized repairs.

10. CUSTOMER SUPPORT

For further assistance, technical support, or warranty inquiries regarding your ET2 Diaphane E11022-95BK Mini Pendant Light, please contact ET2 customer service. Refer to the ET2 website or your purchase documentation for current contact information.
