

GILI 8030

GILI Robot Building Kit Model 8030 Instruction Manual

Your Guide to Assembly, Operation, and Maintenance

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your GILI Robot Building Kit Model 8030. Please read this manual thoroughly before use to ensure proper functionality and a safe experience. This kit is designed to foster creativity and problem-solving skills through hands-on construction and interactive play.

2. PRODUCT OVERVIEW: 3-IN-1 BUILDING CONFIGURATIONS

The GILI Robot Building Kit Model 8030 offers a versatile 3-in-1 design, allowing you to construct and operate three distinct models from the same set of components: a Robot, a Tank, and an RC Car. Each configuration provides a unique building challenge and play experience.

Image: The GILI Robot Building Kit can be assembled into three distinct models: a bipedal robot, a tracked tank, and a tracked racer car.

3. PACKAGE CONTENTS

Your GILI Robot Building Kit Model 8030 includes the following items:

- Building blocks for 3-in-1 models (Robot, Tank, RC Car)
- Remote Control
- Main control unit (with Bluetooth connectivity)
- USB Charging Cable
- Instruction Manual (this document)

4. ASSEMBLY INSTRUCTIONS

Assembly of the GILI Robot Building Kit is a step-by-step process. Detailed visual instructions are provided in the included printed manual. Follow the diagrams carefully to ensure correct construction of your chosen model (Robot, Tank, or RC Car).

1. Unpack all components and organize them by type or color to facilitate assembly.
2. Refer to the printed instruction manual for your desired model.
3. Follow each step sequentially, ensuring all connections are secure.
4. Pay close attention to the placement of the main control unit and any sensors or motors.
5. Once assembly is complete, double-check all connections before proceeding to operation.

5. APP INSTALLATION & CONNECTION

To unlock the full potential of your GILI Robot, download the official control app and connect via Bluetooth.

1. **Download the App:** Search for the official GILI Robot app on your smartphone's app store (iOS App Store or Google Play Store).
2. **Install:** Follow the on-screen instructions to install the app on your device.
3. **Power On Robot:** Ensure your assembled GILI Robot is powered on.
4. **Enable Bluetooth:** On your smartphone, enable Bluetooth connectivity.
5. **Connect:** Open the GILI Robot app. The app will search for nearby devices. Select your GILI Robot (e.g.,
