PayLessHere Computer Desk Instruction Manual

Model: 32/39/47 inch Computer Desk

Brand: PayLessHere

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your PayLessHere Computer Desk. Designed for durability and modern style, this desk is suitable for various uses in home and office environments. Please read all instructions carefully before beginning assembly.

SAFETY INFORMATION

WARNING: This product may contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

Ensure proper assembly and regular inspection to maintain stability and prevent any potential hazards. Do not overload the desk beyond its maximum weight capacity of 220 pounds. Keep small parts away from children during assembly.

PARTS LIST

Before assembly, verify that all components are present and undamaged.

Part	Description	Quantity
Desktop	1.5cm thick particle board, brown finish	1
Leg Frames	Heavy-duty powder-coated steel frames	2
Cross Braces	Steel support bars for stability	2
Adjustable Feet	Anti-slip screw-in feet	4
Hardware	Screws, bolts, Allen wrench	1 set

ASSEMBLY INSTRUCTIONS

Assembly is quick and easy, typically taking about 10-30 minutes. It is recommended to assemble the desk on a soft, clean surface to prevent scratches.

1. Step 1: Attach Cross Braces to Leg Frames

Identify the two main leg frames. Note the pre-drilled holes on the inner sides of the leg frames. Attach the cross braces (support bars) between the two leg frames using the provided hardware. Ensure the holes align correctly for a secure fit. Incorrect alignment will prevent the brace bars from fitting properly.

2. Step 2: Install Adjustable Feet

Screw the adjustable anti-slip feet into the bottom of each leg frame. These feet help prevent scratches on your floor and provide stability on uneven surfaces. Adjust them as needed after the desk is fully assembled.

Image: Detailed view of the adjustable screw feet, designed for anti-slip and noise reduction.

3. Step 3: Attach Desktop to Frame

Carefully place the desktop upside down on your clean assembly surface. Position the assembled leg frame onto the desktop, aligning the pre-drilled holes on the desktop with the holes on the leg frame. Secure the desktop to the frame using the remaining screws and the provided Allen wrench.

4. **Step 4: Final Check**

Once all components are securely fastened, carefully flip the desk upright. Check all connections to ensure they are tight and stable. Adjust the leveling feet if the desk wobbles.

OPERATING INSTRUCTIONS

The PayLessHere Computer Desk is designed for versatile use as a computer table, writing desk, study station, or gaming surface.

- **Placement:** Place the desk on a flat, stable surface. Adjust the leveling feet to ensure the desk is balanced and does not wobble.
- **Weight Capacity:** Do not exceed the maximum weight recommendation of 220 pounds (approximately 100 kg) to maintain stability and prevent damage.
- **Usage:** Utilize the ample work area for your laptop, monitors, keyboard, mouse, and other office essentials. The desk's design provides sufficient legroom for comfortable use.

Ample Work Area

Equipped with a 48in * 24in desktop to provide enough work space to accommodate laptop

MAINTENANCE

To ensure the longevity and appearance of your PayLessHere Computer Desk, follow these maintenance guidelines:

- **Cleaning:** The desktop features a water-resistant surface, making it easy to clean. Wipe spills immediately with a dry cloth. For general cleaning, use a soft, damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Inspection:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary to maintain the desk's stability.
- **Protection:** While the desktop is scratch-resistant, using coasters for drinks and mouse pads can further protect the surface from wear and tear.

TROUBLESHOOTING

If you encounter any issues with your desk, refer to the following common solutions:

Problem	Solution
Desk wobbles	Ensure all screws are tightened. Adjust the adjustable feet on the bottom of the legs to level the desk on uneven floors.
Parts do not align during assembly	Double-check the orientation of the leg frames and cross braces. Ensure the pre-drilled holes are facing the correct direction as indicated in the assembly steps.
Scratches or marks on desktop	While the desktop is scratch-resistant, heavy or sharp objects can still cause damage. Use protective mats or pads for sensitive items. Minor marks may be buffed out with appropriate furniture polish.

SPECIFICATIONS

- **Brand:** PayLessHere
- **Model Number:** 32/39/47 inch Computer Desk
- **Product Dimensions:** 19"D x 47"W x 29"H (for 47 inch model)
- **Color:** Brown
- **Style:** Vintage
- **Top Material Type:** Wood (Particle Board)
- **Base Material:** Metal
- **Finish Type:** Powder Coated
- **Special Feature:** Adjustable Height (via feet)
- **Maximum Weight Recommendation:** 220 Pounds
- **Required Assembly:** Yes
- **Recommended Number of People for Assembly:** 1
- **Item Weight:** 20 Pounds
- **UPC:** 195030047696
