

Qaba 330-136

Qaba 2-in-1 Giraffe Rocking & Rolling Ride-On Toy Instruction Manual

Brand: Qaba | Model: 330-136

1. INTRODUCTION AND OVERVIEW

Thank you for choosing the Qaba 2-in-1 Giraffe Rocking & Rolling Ride-On Toy. This versatile toy is designed to provide engaging play for children aged 3 to 6 years, supporting the development of motor skills and balance. It features a soft plush giraffe design, a sturdy wooden base, and interactive sound effects.

This product offers dual functionality, allowing children to enjoy both traditional rocking motion and a rolling ride-on experience. The plush material ensures a comfortable and gentle ride, while the grip handles and foot pedals provide security and control.

2. SAFETY INFORMATION

Your child's safety is paramount. Please read and adhere to all safety guidelines before and during use.

- **Adult Supervision Recommended:** Always ensure an adult is present to supervise children during play.
- **Stable Surface:** Use the toy on a flat, stable surface to prevent tipping.
- **Secure Grip:** Ensure your child can firmly grasp the handles and place their feet on the pedals for stability.
- **Age and Weight Limits:** This toy is recommended for children aged 36 to 72 months (3-6 years) with a maximum load capacity of 99 lbs.
- **Standards Compliance:** This product meets ASTM F963 and CPSIA safety standards.
- **Battery Safety:** The sound feature requires 3 x LR44 batteries. Ensure batteries are inserted correctly and replaced by an adult. Do not mix old and new batteries or different types of batteries.

3. WHAT'S IN THE BOX

Please check that all components are present and undamaged before assembly:

- Plush Giraffe Body
- Wooden Base with Rockers and Wheels
- Grip Handles (2)
- Foot Pedals (2)
- Assembly Hardware (screws, nuts, etc.)
- 3 x LR44 Batteries (pre-installed for sound feature)

4. ASSEMBLY INSTRUCTIONS

Assembly of the Qaba 2-in-1 Giraffe Ride-On Toy is straightforward. Please follow these steps:

1. **Attach Grip Handles:** Insert the wooden grip handles into the designated holes on the giraffe's head and twist

clockwise until secure.

2. **Secure Plush Body to Base:** Carefully align the plush giraffe body with the wooden base. Secure it using the provided screws and tools. Ensure all connections are tight.
3. **Attach Foot Pedals:** Fasten the foot pedals to the designated areas on the wooden base using the provided hardware.
4. **Check All Connections:** Before first use, double-check that all screws and bolts are securely tightened.

5. OPERATING INSTRUCTIONS

The Qaba Giraffe Ride-On Toy offers two modes of play:

5.1 Rocking Mode

To use the toy in rocking mode, ensure the wheels are retracted upwards into the base. Your child can then sit on the giraffe, hold the grip handles, and rock back and forth. This mode helps develop balance and core muscles.

5.2 Rolling Mode

To convert to rolling mode, pull the wheels down and lock them into position. Your child can sit on the giraffe, hold the grip handles, and use their feet on the pedals to propel themselves forward. This mode encourages active play and mobility.

5.3 Interactive Sound Feature

The giraffe toy includes an interactive sound feature. To activate the sound, locate the 'Press Here' button on the giraffe's ear and press it. This will play enchanting giraffe sounds, adding an extra layer of fun to playtime.

6. MAINTENANCE

Regular maintenance will ensure the longevity and safety of your Qaba Giraffe Ride-On Toy:

- **Cleaning:** Wipe the wooden base and plastic parts with a damp cloth and mild soap. For the plush body, spot clean with a gentle fabric cleaner. Do not immerse the toy in water.
- **Inspection:** Periodically check all screws, bolts, and moving parts (rockers, wheels, handles) to ensure they are tight and in good working order. Tighten any loose fasteners immediately.
- **Battery Replacement:** If the sound feature becomes weak or stops working, replace the 3 x LR44 batteries. Access the battery compartment, typically located in the plush body, and replace with new batteries, ensuring correct polarity.
- **Storage:** Store the toy in a dry, cool place away from direct sunlight and extreme temperatures to prevent damage to materials.

7. TROUBLESHOOTING

If you encounter any issues with your Qaba Giraffe Ride-On Toy, please refer to the following common solutions:

• **Sound Not Working:**

- Check if the batteries are correctly installed.
- Replace the 3 x LR44 batteries with new ones.

• **Difficulty Converting Between Modes:**

- Ensure the locking mechanism for the wheels is fully engaged or disengaged.
- Check for any obstructions preventing the wheels from moving freely.

• **Toy Feels Unstable:**

- Verify that all assembly screws and bolts are securely tightened.
- Ensure the toy is being used on a flat, even surface.

If the problem persists after attempting these solutions, please contact customer support.
