JVC LT-24VH5155

JVC LT-24VH5155 Smart TV User Manual

Model: LT-24VH5155

1. Introduction

Welcome to the user manual for your new JVC LT-24VH5155 Smart TV. This manual provides essential information for setting up, operating, and maintaining your television. Please read it thoroughly to ensure optimal performance and longevity of your device.

The JVC LT-24VH5155 is a 24-inch HD ready Smart TV featuring HDR support, a Triple-Tuner for various reception types, and Bluetooth connectivity. It offers a wide range of entertainment options through integrated streaming services and voice control compatibility.

2. What's in the Box

Upon opening the package, please verify that all the following components are included:

- JVC LT-24VH5155 Smart TV
- TV Stand (including screws for assembly)
- Remote Control
- 2x AAA Batteries for Remote Control
- User Manual (DE/EN/FR/IT)

3. Setup

3.1. Attaching the Stand

1. Carefully place the TV screen-down on a soft, clean surface to prevent scratches.
2. Align the stand with the mounting holes on the bottom of the TV.
3. Secure the stand using the provided screws. Do not overtighten.

3.2. Connecting Peripherals

The JVC LT-24VH5155 offers various connection options:

- **HDMI (CEC + ARC):** Connect Blu-ray players, game consoles, or soundbars. (2x HDMI ports available)
- **USB:** For media playback from USB drives.
- **CI+ Slot:** For conditional access modules (e.g., for pay-TV).
- **Ethernet:** For wired internet connection.
- **VGA:** For connecting a PC.
- **Side AV:** For older analog devices.
- **Headphone Output:** For private listening.
- **Coaxial Audio Output:** For digital audio connection to external sound systems.
- **Antenna (RF/F):** For DVB-T2, DVB-C, or DVB-S2 signals.

3.3. Initial Power On and Channel Scan

1. Plug the power cord into a wall outlet.
2. Press the power button on the remote control or on the TV.
3. Follow the on-screen instructions to select your language, country, and perform an automatic channel scan for DVB-T2, DVB-C, or DVB-S2.
4. Connect to your Wi-Fi network during the setup process for Smart TV functionalities.

4. Operating Your JVC Smart TV

4.1. Remote Control Functions

The remote control provides quick access to various features, including dedicated buttons for popular streaming services.

4.2. Smart TV Features and Streaming

Your JVC Smart TV offers a wide range of entertainment options:

- Access popular streaming services like Prime Video, Netflix, DAZN, YouTube, and Twitch directly from the home screen or via dedicated remote buttons.
- Explore various apps and media libraries for diverse content.

4.3. Voice Control (Alexa & Google Assistant)

Control your Smart TV hands-free using Amazon Alexa or Google Assistant (requires a compatible smart speaker, sold separately).

- Pair your smart speaker with the TV via the TV's settings menu.
- Use commands like "Alexa, change channel to [channel name]" or "OK Google, increase volume to 20."

5. Maintenance

5.1. Cleaning the TV

- Always unplug the TV before cleaning.
- Use a soft, dry cloth to wipe the screen and cabinet. For stubborn marks, lightly dampen the cloth with water or a screen-specific cleaning solution.
- Do not use abrasive cleaners, waxes, or solvents.

5.2. Software Updates

Periodically check for software updates via the TV's settings menu to ensure optimal performance and access to the latest

features.

6. Troubleshooting

Problem	Possible Cause / Solution
No Power	Check if the power cord is securely plugged into the TV and the wall outlet. Try a different outlet.
No Picture / Sound	Ensure the correct input source is selected. Check all cable connections (HDMI, antenna).
Remote Control Not Working	Replace the batteries. Ensure there are no obstructions between the remote and the TV's IR sensor.
Wi-Fi Disconnection	Restart the TV by unplugging it for a few seconds and plugging it back in. Check your router and network settings. Reconnect to Wi-Fi in the TV settings.
Smart TV Apps Not Loading	Check your internet connection. Try restarting the TV. Ensure the app is updated to the latest version.

If the problem persists after trying these solutions, please refer to the full user manual or contact JVC customer support.
