OPERATING AND USAGE GUIDELINES

Your Marsail Home Office Desk is designed for functional and comfortable use. To ensure optimal performance and longevity:

- **Placement:** Position the desk on a level surface. Avoid placing it in direct sunlight or near heat sources to prevent material degradation.
- **Weight Capacity:** Do not exceed the recommended weight capacity for the desktop and drawers. Distribute weight evenly.
- **Drawer Use:** Open and close drawers gently. Avoid slamming them shut or overloading them. The desk features 3 drawers for organized storage.
- **Stability:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary.

MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners, harsh chemicals, or polishes that may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the material.
- **Protection:** Use coasters or placemats under hot items or beverages to protect the desktop surface.
