4. CARE AND MAINTENANCE

To ensure the longevity of your playset, please observe the following care and maintenance guidelines:

- **Cleaning:** Wipe figures gently with a soft, dry cloth. Avoid abrasive cleaners or harsh chemicals.
- **Storage:** Store all pieces in their original packaging or a secure container to prevent damage. Ensure they are kept in a cool, dry place away from direct sunlight.
- **Handling:** While durable, the figures are made of resin and are not unbreakable. Handle with care to prevent chipping or breakage, especially when used by younger children.

5. SAFETY INFORMATION

This product meets US toy standards and is non-toxic and BPA-free. However, due to the small size of some components and the material, adult supervision is recommended, especially for very young children, to prevent choking hazards or damage to the figures.

Ensure the playset is placed on a completely flat and stable surface. Some figures may have a slightly

uneven base; gently adjust their position or use a small, flat support if necessary.
