

Kenneth Cole KC1503-B

Kenneth Cole REACTION KC1503-B Blue Light Blocking Eyewear Frames User Manual

1. INTRODUCTION

This manual provides essential information for the proper use and care of your Kenneth Cole REACTION KC1503-B Blue Light Blocking Eyewear Frames. These stylish frames are designed with blue light filtering lenses to reduce risks associated with prolonged digital device exposure and improve visual comfort. They feature a comfortable and lightweight construction for everyday wear.

2. PRODUCT FEATURES

- Square plastic frames with blue light filtering lenses.
- Polycarbonate lenses designed to reduce glare and eye strain by filtering harmful blue light from the UV spectrum.
- Shiny solid black front and temples.
- Lightweight design for extended comfort.

3. SETUP AND USAGE

The Kenneth Cole REACTION KC1503-B frames are ready for immediate use. Simply place the frames on your face, ensuring a comfortable fit. These frames are intended to be worn during periods of long exposure to digital devices such as computers, smartphones, and tablets, to help mitigate eye strain and discomfort caused by blue light emissions.

Figure 2: Side view of the eyewear frames, highlighting the shiny solid black temples and lightweight construction.

Figure 3: Back view of the eyewear frames, showing the overall structure and temple design.

4. CARE AND MAINTENANCE

To ensure the longevity and optimal performance of your eyewear frames, follow these care instructions:

- **Cleaning:** Clean the lenses and frames regularly using a dedicated lens cleaner and a soft, lint-free cloth. Avoid using abrasive materials or harsh chemicals, which can damage the lens coating and frame finish.
- **Storage:** When not in use, store your eyewear in a protective case to prevent scratches and damage.
- **Handling:** Handle the frames with care. Avoid placing them face down on hard surfaces or exposing them to extreme temperatures.

5. TROUBLESHOOTING

If you experience any issues with your eyewear frames, consider the following:

- **Discomfort:** If the frames feel uncomfortable, gently adjust the nose pads or temples if they are designed for adjustment. If discomfort persists, consult an optician.
- **Reduced Clarity:** Ensure lenses are clean. If clarity issues persist after cleaning, inspect for scratches or damage.

For persistent issues or concerns not addressed here, please contact Kenneth Cole customer support.

6. SPECIFICATIONS

Brand	Kenneth Cole
Model Number	KC1503-B
Product Dimensions	6 x 3 x 1 inches
Item Weight	1.13 ounces (0.03 Kilograms)
Department	Unisex-adult
UPC	889214322722
