3. Setup

The MISTBUY Military Action Figures and Vehicles Playset requires minimal assembly. Most figures and vehicles are ready for play directly out of the box. Follow these guidelines for initial setup:

1. **Unpack All Components:** Carefully remove all figures, vehicles, and accessories from their packaging.
2. **Attach Accessories to Figures:** The action figures have hands designed to hold the various accessory weapons. Gently place the desired weapon into the figure's hand.
3. **Position Figures in Vehicles:** Figures can be seated inside the off-road truck, on the motorcycle, or in the helicopter. Ensure they are securely placed to prevent falling during play.

4. **Set Up Battle Tent:** The battle tent can be positioned as a command center or shelter within your playset scenario.
5. **Organize Weapons Box:** Use the provided weapons box to store extra accessories when not in use.

4. Operating Instructions

The playset is designed for imaginative and interactive play. Here are some ways to utilize the components:

4.1 Action Figures

- **Poseability:** Each action figure features movable limbs, allowing for various poses and dynamic action scenes.
- **Weapon Integration:** Figures can hold different weapons from the accessory set, enhancing role-playing possibilities.

4.2 Military Vehicles

- **Off-Road Truck:** The off-road truck features a detailed design and can accommodate action figures in the driver's seat and rear. Some parts, such as the roof-mounted weapons, may be detachable or rotatable for enhanced play.
- **Tracked Armored Vehicle:** This vehicle is equipped with tracks and turrets, providing a robust element for ground

operations. Figures can be positioned on or within the vehicle.

- **Army Helicopter:** The helicopter includes spinning rotors and space for a pilot figure, simulating air support missions.
- **Off-Road Motorcycle:** A figure can ride the motorcycle for quick reconnaissance or transport missions.

5. Maintenance

To ensure the longevity of your MISTBUY playset, follow these simple maintenance tips:

- **Cleaning:** Wipe figures and vehicles with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store all components in a dry, cool place away from direct sunlight to prevent material degradation. Use the weapons box for small accessories.

- **Handling:** Handle figures and vehicles with care to avoid breaking small parts or joints.

6. Troubleshooting

If you encounter any issues with your playset, consider the following:

- **Loose Parts:** If a small accessory or a figure's limb becomes loose, gently reattach it. Avoid excessive force.
- **Figures Not Standing:** Ensure figures are posed correctly on a flat surface. Adjust their limbs for better balance.
- **Vehicle Movement:** Check that wheels or tracks are free from obstructions if vehicles are not moving smoothly.
