2. SAFETY INFORMATION

Your safety is paramount. Adhere to the following guidelines:

- This product has been tested to meet or exceed ANSI/BIFMA quality standards for safety, durability, and performance.
- The desk surface supports a maximum weight of **200 pounds (90.7 kg)**. Do not exceed this weight limit.
- For maximum stability and safety, it is recommended to anchor the desk to a wall using the provided hardware.
- **Proposition 65 Warning:** This product may contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

- Keep small parts and packaging materials away from children during assembly.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. The package should include:

- L Shaped Table Desk components (desktop sections, metal legs, privacy panels)
- Assembly hardware (screws, bolts, connectors)
- Wall anchor hardware for stability
- Assembly instructions (separate document, if applicable)

4. SETUP AND ASSEMBLY

Assembly is required for this product. It is recommended to have two people for assembly to ensure ease and safety. Follow the detailed assembly instructions provided with your product package. A power drill with appropriate torque settings may be beneficial for securing substantial screws.

4.1. General Assembly Tips

- Clear a spacious area for assembly.
- Lay out all parts and hardware, comparing them against the parts list.
- Do not fully tighten all fasteners until the desk is completely assembled and aligned.
- Ensure the desk is placed on a level surface.
- Utilize the wall anchor hardware to secure the desk to a wall for enhanced stability, especially if placing heavy items on the desk.

6. MAINTENANCE AND CARE

To ensure the longevity and appearance of your desk, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the laminated surface.
- **Heat Protection:** Use coasters or protective pads under hot items to prevent heat damage.
- **Weight Distribution:** Distribute weight evenly across the desktop to prevent stress on any single area.
- **Periodic Checks:** Periodically check and tighten all fasteners to ensure the desk remains stable.
