2. SAFETY INFORMATION

- **Adult Supervision:** Children should always use this product under adult supervision.
- **Non-Slip Pads:** The stool includes thick non-slip pads on the base to ensure stability and prevent sliding during use.
- **Sturdy Construction:** Made of particleboard, the stool is designed for a reliable load-bearing capacity of up to 200 lb (90 kg).
- **Rounded Corners:** All corners on the stool are rounded to prevent bumps and injuries.
- **Placement:** Ensure the stool is placed on a flat, stable surface before use.

**Bonus non-slip pads
for comfort and traction**

Smooth, Round Corner

All corners on the stool are rounded to prevent kids from bumping and hurting.

Image 2.2: The stool features smooth, rounded corners to minimize the risk of injury.

3. ASSEMBLY INSTRUCTIONS

The HOOBRO BF01JD01G1 stool requires quick assembly. Easy-to-follow instructions and all necessary tools are included in the package. Please refer to the provided accessory kit and instructions for detailed steps.

1. Unpack all components and verify against the parts list in the instruction manual.
2. Follow the step-by-step diagrams to connect the side panels to the steps using the provided screws and Allen key.
3. Ensure all screws are tightened securely for stability.
4. Attach the non-slip pads to the bottom of the stool as indicated in the manual.

4. OPERATING INSTRUCTIONS (USAGE)

The HOOBRO Two-Step Toddler Stool is designed to encourage independence in daily activities.

- **Hand Washing & Brushing Teeth:** Position the stool in front of the sink to allow children to reach the faucet and basin comfortably.
- **Potty Training:** Place the stool in front of the toilet to assist children in accessing the toilet seat.
- **Kitchen Assistance:** Use the stool to help children safely reach countertops for supervised cooking or baking activities.
- **Reaching Items:** The stool can be used to reach books, toys, or to climb into bed, fostering confidence and self-reliance.
- **Portability:** The stool features handles on both sides, making it easy for children or adults to move it between rooms as needed.

Image 4.1: A child using the step stool to reach the bathroom sink for brushing teeth.

Image 4.2: The step stool provides the necessary height for a child to wash their hands independently.

Image 4.3: The stool aids in potty training by allowing children to comfortably reach the toilet.

Please use this product under adult supervision.

Image 4.4: The step stool enables children to participate in kitchen activities safely.

Image 4.5: Integrated handles allow for easy movement and repositioning of the stool.

Video 4.6: A brief demonstration of the HOOBRO Step Stool's utility for children's potty training and general use.

5. MAINTENANCE

- **Cleaning:** The large platform is easy to wipe and clean. Use a damp cloth for general cleaning.
- **Stain Resistance:** The stool has an anti-stain effect, making it easier to maintain its appearance.
- **Avoid Damage:** Keep the product away from sharp, pointed objects and corrosive chemicals to prevent damage.
- **Stability Check:** For long-term stability, periodically check and tighten all screws.

6. TROUBLESHOOTING

- **Stool feels wobbly:** Ensure all screws are fully tightened. If the issue persists, disassemble and reassemble, carefully following the instructions.
- **Difficulty moving the stool:** While designed to be portable, ensure no obstacles are impeding movement. Check for any debris under the non-slip pads.
- **Surface scratches:** Always lift the stool when moving it over rough surfaces to prevent scratching the floor or the stool itself.
