## 3. MAINTENANCE AND CARE

---

### Cleaning Instructions

To ensure the longevity and optimal performance of your ZZN ZT02 headphones, proper cleaning is essential. The earbuds are IPX5 waterproof, making them resistant to sweat and light rain, but they are not

designed for submersion.

After each use, especially after workouts or exposure to moisture, gently wipe the earbuds with a soft, dry cloth. Pay particular attention to the charging contacts on the earbuds and inside the charging case to ensure they are free of sweat, water, or debris. Always ensure the earbuds are completely dry before placing them back into the charging case to prevent damage.

## HIFI Stereo Sound Quality

## 4. TROUBLESHOOTING

If you encounter any issues with your ZZN ZT02 Wireless Headphones, please refer to the following common problems and solutions:

- **Earbuds not pairing:**

Ensure Bluetooth is enabled on your device. Place the earbuds back into the charging case, close the lid, wait a few seconds, then open it again and try re-pairing. If issues persist, try forgetting the device on your phone's Bluetooth settings and re-pairing.

- **No sound or low volume:**

Check the volume levels on both your device and the earbuds. Ensure the earbuds are properly seated in your ears. Re-pair the earbuds with your device. Confirm the earbuds are charged.

- **Only one earbud working:**

Place both earbuds back into the charging case, close the lid, and then open it again. This often re-syncs them. Ensure both earbuds are charged. Clean the charging contacts on both earbuds and inside the case.

- **Charging issues:**

Ensure the charging cable is securely connected to both the case and a power source. Verify the power source is active. Clean the charging contacts on the earbuds and inside the case to remove any dirt or debris. Ensure the earbuds are dry before charging.
