## 2. SETUP

---

**Unpacking:** Carefully remove the cars from their packaging. The set comes in a dedicated cardboard box designed to protect the collection. Ensure all 8 cars are present and undamaged upon opening.

## 3. OPERATING INSTRUCTIONS

---

These Hot Wheels character cars are designed for imaginative play. They can be used on Hot Wheels tracks (sold separately) or for free-play on various flat surfaces. The high-speed wheels allow for smooth movement and racing action.

### Character Car Examples:

Image 3.2: The Penguin Character Car, designed with a top hat and umbrella-like features.

Image 3.3: Wonder Woman Character Car, featuring red, blue, and gold colors with star accents.

Image 3.4: Superman Character Car, featuring blue and red colors with the iconic 'S' shield.

Image 3.5: Robin Character Car, featuring red, green, and yellow colors with the 'R' emblem.

Image 3.6: Harley Quinn Character Car, featuring red, black, and white colors with mallet-like details.

## 4. MAINTENANCE

To maintain the quality and appearance of your Hot Wheels cars, wipe them with a soft, dry cloth. Avoid exposure to extreme temperatures or direct sunlight for prolonged periods, as this may cause paint fading or material degradation. Store them in their original box or a suitable storage container to prevent dust accumulation and physical damage.

## 5. TROUBLESHOOTING

---

Hot Wheels cars are generally robust. If a car does not roll smoothly, check the wheels for any debris, hair, or obstructions that might be hindering movement. Gently remove any foreign objects. Ensure the axles are not bent; excessive force during play can cause damage to the wheels or axles.
