MERITLINE HEGUO-LP000150AAP

MERITLINE Full Over Full Bunk Bed with Trundle

Model: HEGUO-LP000150AAP | Brand: MERITLINE

1. Introduction

This manual provides essential instructions for the assembly, safe use, and maintenance of your MERITLINE Full Over Full Bunk Bed with Trundle. Please read all instructions carefully before assembly and use to ensure proper function and safety. This bunk bed is designed for versatile use, offering two full-size sleeping areas and an additional trundle bed, with the option to separate into two individual full-size platform beds.

2. Safety Information

WARNING: Failure to follow these warnings and instructions could result in serious injury or death.

- This bunk bed has a weight capacity of 250 lbs for the upper bed, 300 lbs for the bottom bed, and 175 lbs for the trundle bed.
- The ladder and guardrails are designed for safe climbing and sleeping.
- Always follow the assembly instructions to prevent instability or collapse.
- Be aware of potential pinch points or sharp edges during assembly and use.
- Ensure all connections are tight before use. Periodically check and re-tighten as necessary.
- The top bunk is not suitable for children under 6 years of age.
- Use only mattresses that are 6-8 inches thick for both upper and lower bunks to ensure proper guardrail height.
- Do not allow more than one person on the top bunk.
- Prohibit horseplay on or under the bed.
- Always use the ladder for entering and leaving the upper bunk.

3. Package Contents

Before beginning assembly, ensure all parts are present and undamaged. Refer to the included installation manual for a detailed list of components.

- Bed Frame Components
- All necessary tools for assembly

- Installation Manual

Note: The product is shipped in 2 packages. Please ensure both packages have arrived before starting assembly.

4. Assembly Instructions

Assembly of the MERITLINE Full Over Full Bunk Bed requires careful attention to detail. Please follow the step-by-step instructions provided in the dedicated Installation Manual included with your product. All necessary tools are provided.

1. Unpack all components and verify against the parts list in the Installation Manual.
2. Identify each part and hardware.
3. Follow the sequential steps in the manual for frame construction, attaching guardrails, and installing the ladder.
4. Ensure all bolts and screws are securely tightened. Do not overtighten.
5. Once assembled, confirm the bed is stable and all safety features are correctly in place.

5. Product Features

- **Compact Full Bunk Bed with Trundle:** This full-over-full bunk bed can be split into two separate beds for complete

versatility. It includes a pullout trundle bed with removable casters, offering space-saving solutions and extra sleeping capacity for guests.

- **Built with Safety in Mind:** The full-size bunk bed is equipped with a sturdy ladder, featuring a full-length panel attached to the guardrails for safe climbing. The upper bed has high guardrails on both sides for additional security, preventing accidental falls during sleep.
- **High-Quality Construction:** Constructed with a sturdy pinewood frame, this bunk bed features a natural wood grain look for enhanced stability and durability. The stable structure is designed to prevent shaking, contributing to a restful sleep experience.
- **Weight Capacity:** Upper bed - 250 LBS, Bottom bed - 300 LBS, Trundle bed - 175 LBS.

6. Usage and Configuration

6.1 Bunk Bed Configuration

In its primary configuration, the unit functions as a full-over-full bunk bed, providing two stacked full-size sleeping surfaces. The integrated ladder allows safe access to the upper bunk, and the full-length guardrails ensure security.

6.2 Trundle Bed Operation

The trundle bed is located beneath the lower bunk and can be easily pulled out for additional sleeping space. It features

removable casters for smooth operation. When not in use, the trundle can be pushed back under the bed to save space.

6.3 Separable Beds Configuration

For increased versatility, the bunk bed can be separated into two independent full-size platform beds. Refer to the Installation Manual for specific instructions on how to safely disassemble the bunk bed into two separate units.

Figure 4: Bunk bed separated into two individual full-size beds.

7. Maintenance and Care

- **Cleaning:** Wipe the wood surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners that may damage the finish.
- **Hardware Checks:** Periodically inspect all bolts, screws, and connections to ensure they remain tight. Re-tighten as needed to maintain structural integrity and safety.
- **Wood Care:** Protect the wood from direct sunlight and extreme temperature changes to prevent warping or fading.

8. Troubleshooting

- **Squeaking/Wobbling:** Check all hardware connections and tighten any loose bolts or screws. Ensure the bed is placed on a level surface.
- **Difficulty with Trundle:** Verify that the casters are clean and free of debris. Ensure the trundle is aligned correctly with the main bed frame.
- **Missing Parts:** If any parts are missing or damaged upon arrival, please contact customer service immediately.

9. Specifications
