1.2 Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. The charging case provides up to 5 full charges for the earbuds, extending total listening time to 30 hours.

- Place the earbuds into the charging case. Ensure they are correctly seated; the indicator lights on the earbuds

will illuminate.

- Connect the charging case to a USB power source using the provided USB cable.
- The LED indicators on the charging case will show the charging status. Four lights indicate a full charge.

1.3 Pairing with Your Device

The earbuds feature one-step pairing for convenience.

1. Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for "WENKEY E2" in the list of available Bluetooth devices and select it to connect.
4. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.

The advanced Bluetooth 5.1 technology ensures a fast, stable connection with a range of up to 15 meters.

3. MAINTENANCE

3.1 Cleaning

To maintain optimal performance and hygiene, regularly clean your earbuds and charging case.

- Use a soft, dry, lint-free cloth to wipe the earbuds and charging case.
- Gently remove any earwax or debris from the ear tips and speaker mesh using a small, clean brush or cotton

swab.

- Do not use abrasive cleaners, alcohol, or chemical solvents.

3.2 Water Resistance (IPX6)

The WENKEY E2 earbuds are IPX6 waterproof, meaning they are resistant to sweat, water splashes, and rain. They are suitable for sports and outdoor activities.

Note: The charging case is not waterproof. Do not expose the charging case to liquids.
