MINISO We Bare Bears 16oz Tumbler Instruction Manual

INTRODUCTION

Thank you for choosing the MINISO We Bare Bears 16oz Tumbler. This insulated, double-wall tumbler is designed for convenient and safe hydration, featuring a leakproof lid and BPA-free materials. Please read this manual carefully before first use to ensure proper operation and maintenance.

PRODUCT COMPONENTS

- Tumbler body (16oz / 480ml capacity)
- Leakproof lid with character design
- Reusable straw

Image: The MINISO We Bare Bears tumbler with its straw, highlighting its 480 ml capacity.

SETUP

1. **Unpack:** Carefully remove all components from the packaging.

2. **Initial Cleaning:** Before first use, wash the tumbler body, lid, and straw thoroughly with warm water and mild soap. Rinse all parts completely.
3. **Assemble Lid:** Ensure the character on the lid is securely in place. The lid features a panda character surrounded by colorful beads.

OPERATING INSTRUCTIONS

1. **Fill Tumbler:** Pour your desired beverage into the tumbler. Do not overfill; leave some space below the rim to prevent spills when attaching the lid.
2. **Secure Lid:** Place the lid onto the tumbler and twist clockwise until it is firmly sealed. A proper seal prevents leaks.

Image: A detailed view of the tumbler's lid mechanism, illustrating how it closes perfectly to prevent liquid spills.

3. **Insert Straw:** Insert the reusable straw through the opening in the lid.
4. **Enjoy Your Drink:** The double-wall insulation helps maintain your drink's temperature for extended periods.
5. **Portability:** The compact size and leakproof design make this tumbler suitable for travel, commuting, or outdoor activities.

MAINTENANCE AND CARE

- **Hand Wash Only:** To preserve the integrity of the insulation and design, wash all parts by hand using warm water and mild dish soap.
- **Disassembly for Cleaning:** The tumbler is easy to disassemble for thorough cleaning. Separate the lid, straw, and tumbler body.
- **Avoid Abrasives:** Do not use abrasive cleaners, scrubbers, or bleach, as these can damage the tumbler's finish and materials.
- **Drying:** Allow all components to air dry completely before reassembling or storing to prevent odor or mildew.
- **Storage:** Store the tumbler in a clean, dry place when not in use.

TROUBLESHOOTING

- **Leaking:** If the tumbler leaks, ensure the lid is twisted on tightly and correctly aligned with the tumbler body. Check the silicone seal (if present) for any damage or misalignment.
- **Poor Temperature Retention:** Ensure the lid is securely closed. The double-wall insulation relies on a proper seal to maintain temperature.
- **Difficulty Cleaning:** Disassemble the tumbler completely (body, lid, straw) to access all surfaces for cleaning. Use a straw brush for the straw if needed.

SPECIFICATIONS

Brand	MINISO
Model Number	6941055149860-L5
Capacity	16.0 Fluid Ounces (480 Milliliters)
Material	Plastic (BPA-Free), Insulated Double Wall
