## 2. IMPORTANT SAFETY INFORMATION

**WARNING: CHOKING HAZARD - Small parts. Not for children under 3 years.**

- Always use under adult supervision.
- Keep small components away from young children.
- Do not ingest any materials from the kit.
- Avoid contact of markers and glue with eyes. In case of contact, rinse thoroughly with water.

### 3. SETUP

Follow these steps to prepare your Fashion Design Studio for use:

1. Unpack all components from the box.
2. Place the main studio unit on a flat, stable surface.
3. Organize the markers, gems, and other small accessories into the designated compartments on the studio unit.
4. Ensure the design sheets and fabric sheets are easily accessible.

### 4. OPERATING INSTRUCTIONS

The Fashion Design Studio allows for various creative techniques. Follow these steps to design your fashion

creations:

#### 4.1. Tracing Designs

1. Select a design sheet with a model outline.
2. Place a stencil over the model to create clothing shapes (tops, bottoms, gowns).
3. Use the double-tip marker to trace the stencil outlines onto the design sheet.

This image demonstrates how to use the provided stencils and a marker to trace clothing outlines onto a design sheet, forming the base of a fashion illustration.

#### 4.2. Adding Fabric Textures and Patterns

1. Choose a self-adhesive fabric sheet or a printed roll with a desired texture or pattern.
2. Cut the fabric or pattern to fit the traced clothing area.
3. Peel off the backing from self-adhesive fabrics and carefully apply them to your design. For printed rolls, use the glue stick to adhere them.

Image 4.2: Applying self-adhesive fabric to a design.

A hand is shown carefully placing a leopard print self-adhesive fabric piece onto a skirt outline on a design sheet, adding texture and pattern to the garment.

### 4.3. Coloring and Accessorizing

1. Use the assorted markers to add colors to areas not covered by fabric or to enhance details.
2. Select stickers from the sticker sheets to add accessories like jewelry, handbags, or shoes.
3. Apply decorative gems using the glue stick to add sparkle and embellishments to your design.

## 5. MAINTENANCE

- Store all components in their designated places within the studio unit to keep them organized.
- Ensure marker caps are securely closed after each use to prevent drying.
- Keep the studio unit and accessories clean by wiping with a dry cloth.
- Store the kit in a cool, dry place away from direct sunlight.

## 6. TROUBLESHOOTING

## 6.1. Markers are Dry

If markers appear dry, try recapping them tightly and storing them tip-down for a few hours. If they remain dry, they may need to be replaced.

## 6.2. Stickers or Fabrics Not Adhering

Ensure the surface of the design sheet is clean and dry. For non-adhesive materials, apply a thin, even layer of the included glue stick or a suitable craft adhesive.

## 6.3. Stencils Moving During Tracing

Hold the stencil firmly in place with one hand while tracing with the other. For better stability, you can use low-tack tape to temporarily secure the stencil to the design sheet.
