burgkidz 1039Pcs 8-in-1 Mobile Command Center

burgkidz 1039Pcs 8-in-1 City Police Station Building Blocks Set Instruction Manual

Model: 1039Pcs 8-in-1 Mobile Command Center

INTRODUCTION

Thank you for choosing the burgkidz 1039Pcs 8-in-1 City Police Station Building Blocks Set. This comprehensive set allows for the construction of a large mobile command center or eight individual police-themed models. This manual provides essential information for assembly, operation, maintenance, and troubleshooting to ensure an enjoyable and educational experience.

SETUP AND ASSEMBLY

Before beginning assembly, ensure all pieces are present by comparing them with the parts list in the included instruction booklet. The set includes a brick separator to assist with disassembling blocks, which is particularly useful when reconfiguring models.

REBUILD

This diagram illustrates the versatility of the burgkidz 8-in-1 City Police Station Building Blocks Set. It shows the large mobile command center, which can be disassembled (UNDO) using the included brick separator, and then reassembled (REBUILD) into eight different smaller police-themed models. These models include various vehicles and structures, allowing for diverse play scenarios.

The primary build is the Mobile Command Center, a large truck with an integrated trailer. This model features multiple interactive elements and detailed interior compartments.

Patrol Boat
(12*6*1.5cm)

Seaplane
(15*19*7cm)

Police Helicopter
(17*22*4cm)

Sentry Post
(13*8*7cm)

Patrol Cop Car
(12*6*13cm)

Patrol Boat
(12*18*6cm)

Armored Car
(13*8*7cm)

Police Station
(13*8*7cm)

Can not build at the same time

Mobile Commanding Car

(32*6.5*11cm)

This image provides a detailed view of the mobile command center with its side panels opened. It reveals the interior layout, including various compartments and functional areas designed for police operations within the playset.

Key features of the Mobile Command Center include a rotatable truck head, a radar dish, a weapons room, a command room, a seizure room, and a rear window. These details enhance the play experience and provide realistic elements for role-playing.

Rotatable head

Radar

Command room

Seizure room

Rear window

This image presents close-up details of the mobile command center's interactive features. It highlights the rotatable head of the truck, a radar dish, a dedicated weapons room, a command room with control panels, a seizure room for holding figures, and a rear window for observation.

The set also allows for the construction of eight smaller, individual police-themed models.**Note:** These models cannot be built simultaneously with the Mobile Command Center, as they utilize the same building blocks.

This image showcases the eight distinct models that can be constructed from the building block set. Each model, such as the Patrol Boat, Seaplane, Police Helicopter, Sentry Post, Patrol Cop Car, another Patrol Boat, Armored Car, and Police Station, is displayed with its approximate dimensions, demonstrating the variety of builds possible.

For detailed step-by-step instructions for each model, refer to the included instruction manual. Follow the diagrams carefully to ensure correct assembly.

OPERATING INSTRUCTIONS

Once assembled, the building blocks set offers various play opportunities. The Mobile Command Center can be used for imaginative police operations, transporting equipment, or serving as a mobile base. The smaller models allow for diverse scenarios, from air and sea patrols to ground pursuits and station defense.

- **Role-Playing:** Utilize the various vehicles and structures to create detailed police scenarios.
- **Reconfiguration:** To build a different model, carefully disassemble the current structure using the brick separator. Sort the pieces to make the next assembly easier.
- **Interactive Features:** Engage with the movable parts, opening doors, and rotatable elements of the models to enhance

play.

This image captures a child actively playing with the burgkidz building block set. The child is shown interacting with the mobile command center and several of the smaller police vehicles, demonstrating the hands-on play experience the set offers.

MAINTENANCE

Proper care will extend the life of your building blocks set.

- **Cleaning:** To clean the blocks, wipe them with a damp cloth. For deeper cleaning, wash them gently with mild soap and water. Rinse thoroughly and air dry. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the blocks in a cool, dry place away from direct sunlight to prevent discoloration or warping. Keep them in a container to prevent loss of pieces.

- **Handling:** Avoid excessive force when connecting or disconnecting blocks to prevent damage.

TROUBLESHOOTING

Here are solutions to common issues you might encounter:

- **Missing Pieces:** Carefully check the packaging and surrounding area. If a piece is genuinely missing, refer to the customer support section for assistance.
- **Difficulty Connecting Blocks:** Ensure the blocks are aligned correctly. Apply gentle, even pressure. If a block is particularly stubborn, try another similar piece or ensure there are no obstructions.
- **Model Instability:** Double-check the assembly steps in the instruction manual. Ensure all connections are firm and that no steps were skipped or incorrectly performed.
