2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Always assemble the desk with adult supervision.
- Ensure the desk is stable and secure before allowing a child to use it.
- Do not exceed the weight limit of 19.35 kg (42.66 lbs) on the desk surface.
- This product is not customizable. Please measure your space before assembly to ensure proper fit.
- Keep small parts away from children during assembly to prevent choking hazards.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- All necessary wooden components for the desk frame and surface.
- Screws and other hardware required for assembly.
- Assembly instructions manual.

4. ASSEMBLY INSTRUCTIONS

Assembly of the BAĬTA Children's Hut Desk requires adult supervision. Please follow the included detailed assembly instructions step-by-step. A Phillips head screwdriver (not included) may be required.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify all wooden pieces and hardware according to the parts list in the separate assembly guide.
3. Begin by assembling the main frame of the hut desk, securing the vertical and horizontal pine wood beams with the provided screws.
4. Attach the back panel and the desk surface to the frame. Ensure the desk surface is at the desired height for the child. The desk surface is adjustable.
5. Tighten all screws firmly, but do not overtighten to avoid damaging the wood.
6. Once assembled, gently shake the desk to ensure it is stable and all connections are secure.

5. OPERATING INSTRUCTIONS

Adjusting the Desk Surface Height

The BAĬTA Children's Hut Desk features an adjustable height tray to adapt to your child's growth. To adjust the height:

1. Ensure the desk is empty and clear of any items.
2. With adult assistance, carefully loosen the screws or fasteners that secure the desk surface to the frame.
3. Slide the desk surface to the desired height. The frame has pre-drilled holes or a track system for adjustment.
4. Securely fasten the screws or fasteners at the new height. Double-check that the desk surface is level and stable before use.

6. MAINTENANCE

Proper care will ensure the longevity of your BAĬTA Children's Hut Desk.

- **Cleaning:** Clean the desk with a damp cloth or a dry cloth. Avoid using harsh chemicals or abrasive cleaners, as they may damage the wood finish.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Environment:** Keep the desk in a dry environment and avoid prolonged exposure to direct sunlight or extreme temperature changes, which can cause wood to warp or crack.

7. TROUBLESHOOTING

If you encounter any issues with your BAĬTA Children's Hut Desk, please refer to the following common solutions:

- **Desk is wobbly:** Ensure all screws are fully tightened. Check that the desk is placed on a flat, even surface.
- **Difficulty adjusting height:** Ensure no items are obstructing the adjustment mechanism. Loosen fasteners sufficiently before attempting to move the desk surface.
- **Missing parts:** Refer to the package contents list. If parts are genuinely missing, contact BAĬTA customer

support.
