# GhostBed Adjustable Bed Headboard Brackets - Instruction Manual

Model: 810000333998

## PRODUCT OVERVIEW

The GhostBed Adjustable Bed Headboard Brackets are designed to securely attach a headboard to your adjustable bed frame. Made from durable solid steel, these universal brackets offer easy customization for width, height, and distance from the wall, ensuring a perfect fit for most headboards. This kit includes all necessary hardware for installation, requiring no additional tools.

## SETUP AND INSTALLATION

Follow these steps to properly install your GhostBed Adjustable Bed Headboard Brackets. It is recommended to have assistance during installation to ensure stability and alignment.

### Step 1: Attach Brackets to Bed Frame

Position the larger T-shaped brackets to the side of your adjustable bed frame where the headboard will be attached. Align the holes on the bracket with the pre-drilled holes on your bed frame. Secure using the provided bolts and nuts. Do not fully tighten until the headboard is in place.

Figure 2: Attaching the T-shaped bracket to the adjustable bed frame.

## **Step 2: Adjust Bracket Position (if necessary)**

The brackets feature multiple slots for adjustability. If your headboard requires a specific height or distance from the wall, utilize these slots to fine-tune the bracket's position before securing it to the headboard. This allows for universal compatibility.

Figure 3: Adjusting the bracket's position for optimal headboard alignment.

### **Step 3: Secure Headboard to Brackets**

Once the brackets are aligned with your headboard, use the remaining hardware to attach the headboard to the brackets. Ensure all connections are snug but avoid over-tightening until the final adjustments are made.

Figure 4: Securing the headboard to the installed brackets.

### Step 4: Final Tightening

After the headboard is in its desired position and all connections are made, fully tighten all bolts and nuts on both the bed frame and headboard connections. This will ensure a stable and secure attachment.

## OPERATING AND USAGE

---

Once installed, the headboard brackets require no specific operation. They provide a fixed and stable attachment point for your headboard, allowing you to use your adjustable bed frame as intended without interference. Ensure the headboard does not impede the movement of the adjustable bed's mechanisms.

## MAINTENANCE

---

The GhostBed Headboard Brackets are constructed from durable solid steel and require minimal maintenance.

Periodically check the following:

- **Tightness of Fasteners:** Over time, bolts and nuts may loosen. Inspect all connections every 6-12 months and re-tighten if necessary to maintain stability.
- **Corrosion:** While made of durable steel, avoid prolonged exposure to moisture to prevent rust. Clean with a dry cloth if dusty.
- **Damage:** Inspect the brackets for any signs of bending, cracking, or other damage. If significant damage is observed, replacement may be necessary.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Headboard is wobbly or unstable.	Loose fasteners. Incorrect alignment.	Ensure all bolts and nuts are fully tightened. Re-check alignment of brackets to both bed frame and headboard.
Brackets do not align with headboard holes.	Headboard design variations.	Utilize the multiple adjustment slots on the brackets to find the best fit. If necessary, minor drilling on the headboard may be required for non-standard designs (consult a professional if unsure).
Headboard interferes with adjustable bed movement.	Headboard positioned too close to the bed frame's moving parts.	Adjust the brackets to move the headboard slightly further from the bed frame. Ensure sufficient clearance for all bed frame movements.

SPECIFICATIONS

Feature	Detail
Brand	GhostBed
Model Number	810000333998
Mounting Type	Bed Frame Mount
Material	Alloy Steel
Color	Black
Item Weight	6.54 pounds
Product Dimensions (L x W x H)	16 x 0.01 x 5 inches
Special Features	Adjustable, Durable
UPC	810000333998

WARRANTY INFORMATION

Specific warranty details for the GhostBed Adjustable Bed Headboard Brackets are not provided in this manual. For warranty inquiries, please refer to the product packaging or contact GhostBed customer support directly.
