Ivation Replacement Cover for IVAWMIB / IVAWMIBBL36

Ivation Wall Mounted Ironing Board Replacement Cover User Manual

Compatible with Models: IVAWMIB / IVAWMIBBL36

1. INTRODUCTION

This manual provides instructions for the Ivation Wall Mounted Ironing Board Replacement Cover. This product is designed specifically to fit Ivation Wall Mounted Ironing Board models IVAWMIB and IVAWMIBBL36. It is a heat-resistant and machine-washable cover intended to refresh your ironing surface.

2. SAFETY INFORMATION

- Ensure the cover is properly secured to the ironing board before use to prevent shifting during ironing.
- The cover is heat-resistant, but direct contact with extremely hot iron for prolonged periods should be avoided.
- Keep out of reach of children when not in use.
- Do not use the cover if it is damaged or torn, as this may affect its performance and safety.

3. SETUP AND INSTALLATION

This replacement cover is designed for easy installation on your existing Ivation Wall Mounted Ironing Board (models IVAWMIB / IVAWMIBBL36).

1. **Remove Old Cover:** If an old cover is present, carefully remove it from your Ivation Wall Mounted Ironing Board.
2. **Prepare Board:** Ensure the ironing board surface is clean and dry before installing the new cover.

3. **Position New Cover:** Lay the new Ivation replacement cover flat over the ironing board surface, aligning the tapered end with the narrow end of the board.
4. **Secure Cover:** The cover is designed to fit snugly. Carefully pull the cover over the edges of the board, ensuring it is taut and smooth across the entire surface. Some models may include ties or elastic for additional securing; ensure these are utilized if present.
5. **Check Fit:** Once installed, gently press down on the cover to ensure it is firmly in place and does not wrinkle or shift easily.

4. OPERATING INSTRUCTIONS

Once the replacement cover is installed, your Ivation Wall Mounted Ironing Board is ready for use. The cover provides a smooth, heat-resistant surface for efficient ironing.

- Place garments flat on the covered ironing board surface.

- Adjust your iron to the appropriate temperature setting for the fabric type.
- Proceed with ironing as usual. The cover's surface is designed to facilitate smooth gliding of the iron.

5. MAINTENANCE AND CARE

To ensure the longevity and performance of your Ivation Wall Mounted Ironing Board Replacement Cover, follow these care instructions:

- **Cleaning:** The cover is machine washable. Use cold water and a gentle cycle. Do not bleach.
- **Drying:** Air dry or tumble dry on low heat. Do not iron the cover itself.
- **Storage:** When not in use, the cover can remain on the ironing board. If removed, store it flat or gently folded to prevent creases.
- **Regular Inspection:** Periodically check the cover for any signs of wear, tear, or damage. Replace if necessary to

maintain optimal ironing performance.

6. TROUBLESHOOTING

Cover does not fit snugly or wrinkles:

Ensure the cover is correctly aligned with the ironing board. Pull the cover taut from all sides, working out any wrinkles. If your specific cover model includes drawstrings or elastic, ensure they are tightened properly. This cover is designed for Ivation Wall Mounted Ironing Board models IVAWMIB and IVAWMIBBL36; it may not fit other boards.

Ironing surface feels uneven:

Check if the cover is evenly distributed over the board. Smooth out any bunched areas. Ensure there are no foreign objects between the cover and the board. If the padding underneath the cover is worn, consider replacing the entire cover.
